Agency's plan to increase participation of small minority-, women- and veteran-owned firms:

PDC is an agency of 21 FTE's and uses the services of the Department of Enterprise (DES) Small Agency group.

When looking to purchase or contract for any need the PDC uses the guidance of DES. When purchasing items directly the PDC continues to use the State contracts that are in place.

The PDC will continue to look for, when a need or project arises, options to partner with a small minority, women-and veteran- owned firm by using the Washington State contract process.
