# BID NOTIFICATION

Sub-Bids Requested For

## Shelton Wastewater Treatment Plant and Front St Pump Station Improvements Shelton, WA

**Bid Date: November 24, 2009**

**Bid Time: 10:00am PST**

Project Description: The project consists of work at two (2) sites, the Shelton WWTP and the Front Street Pump Station (FSPS). Work includes, but is not limited to: Excavation, fill, grading, and removal of excess material from each site; Selective bldg demo and equipment and utility removal work within the WWTP and FSPS sites; Bldg demo and utility removal work at the west side of the WWTP; Construction of paving, site work, hydroseeding, and landscaping at each site; Construction of a new headworks structure, elec/blower bldg, anoxic basins, secondary clarifier, effluent holding tank, UV disinfection system, and biosolids bldg; New roof and modifications to the existing control bldg; Coordination, installation and startup services for the owner-selected biosolids dewatering and drying system furnished by Andritz Separation, Inc.; Construction of conveying systems and odor control systems. Work at the FSPS also includes construction of modifications and additions to the existing pumping station.

Contract Duration: 500 working days

Estimated Value: \$30 - \$32 million

PLEASE REVIEW THE BID FORM!!! This project contains MULTIPLE BID SCHEDULES each with MULTIPLE BID ITEMS. Your firm's scope of work may fall within several different bid items.

This project is subject to both federal Davis Bacon Wage Rates and WA State L&I Prevailing Wage Rates. You must pay the higher of the two rates. Certified payroll will be required.
