Agency's plan to increase participation of small minority-, women- and veteran-owned firms:

Clark College will participate in the following activities and outreach events with the small minority, women and veteran owned community:

- Attend vendor events in Vancouver sponsored by OMWBE or the Department of Enterprise Services.
- Contact the Office of Minority & Women's Business Enterprises Office for assistance identifying certified vendors for procurement activities.
- Partner with Clark College's Office of Diversity and Equity Office to find and participate in outreach opportunities.

Clark College will use the following strategies to work towards our goals:

- Utilize WEBS for all procurements requiring formal competition.
- Utilize WEBS as a resource for identifying certified firms for smaller purchases.
- Utilize WEBS to communicate project budget to certified firms.
- Send correspondence to certified firms encouraging participation in WEBS solicitations.

Clark College will provide the following training to promote OMWBE awareness:

- Share OMWBE program information at purchasing trainings offered to campus staff.
- Incorporate diversity goals into Clark College procurement communications as appropriate.
