Agency's plan to increase participation of certified small minority, women, and veteran owned firms:

In FY 18 the OAH will participate in outreach events sponsored by OMWBE, and are willing to participate with other State Agencies' outreach events. We will continue to keep up to date on OMWBE rules and processes. Include the OMWBE certification option in any announcements to new vendors. Continue to list OMWBE as other resources for bid and contracting opportunities on the OAH website. The OAH will also review its method for obtaining interpreter services, which offers the most significant opportunity for expanding OMWBE participation.
