1st Quarter Consultant

Business Opportunities Event

Thursday, February 16th - 9:30 AM to 12:30 PM

Seattle City Hall - Bertha Knight Landes Room

The purpose of this event is to provide the consultant community with information about upcoming opportunities to do business with Seattle Public Utilities (SPU). Contract Managers will present information on these projects:

- North Transfer Station
- Morse Lake Pump Plant
- Landsburg Facilities and Chlorination

Information will be presented on the City's contracting processes, contract requirements and introduce business tools. There will be time for questions and to meet with SPU staff and other consultants. The agenda is at the end of this message.

Registration

Due to room size advance registration is requested to guarantee admittance.. Registration will also help us develop a distribution list for future events. [Click here to Register](#)
