

**REQUEST FOR PROPOSAL  
INFORMATION TECHNOLOGY  
CONSULTING SERVICES  
PEND OREILLE PUBLIC UTILITY DISTRICT**

Public Utility District No. 1 of Pend Oreille County (the District), is requesting proposals for assistance with Implementation of Schneider Electric's ArcFM for Electric and Fiber Manager software products.

The District GIS project entails the design, development and deployment of the GIS software implementation, including a conversion of the electric and fiber asset data currently existing at the District into an ArcFM-compliant data model, custom modeling to account for the FlexNAP fiber data, and post-implementation support.

The company selected will have experience and knowledge working with Schneider Electric's ArcFM for electric and Fiber Manager software, National Information Solutions Cooperative software, and Bentley MicroStation.

Interested parties may obtain a complete Request for Proposal Packet by contacting the District's Contracts Administrator at (509) 447-9345. RFP package submittals must be received no later than 5:00 p.m., December 11, 2013. Submittals may be sent to:
