http://www.dot.alaska.gov/apps/contracts?ACTION=BIDCAL®ION_CODE=S

This link provides plans to – State Project No. 67987/MAP21-NH-BR-0933(19).

Questions of the Alaska DOT procurement office can be directed to: (907) 465-4488

In order to assist certified small business subcontractors and suppliers, we will divide scopes of work into economically feasible units, and will assist firms with meeting delivery schedules, providing points of contact who may be able to assist DBE's with obtaining bonding, insurance and lines of credit; and will provide information to help DBE's secure their own sources of equipment, supplies, materials or related services in order to maximize participation.

We are an Equal Opportunity Employer
