We are accepting quotes for the following services/supplies including but not limited to traditional **Bridge Replacement and Roadway Work Scopes** includes following:

New Bridge Construction, removal of existing bridge, roadway and river realignment and detours, storm drainage, retaining walls, bio swales, scour protection, HMA paving, striping, signing, reinforcing steel, pile driving, Traffic control/barriers, trucking, earthwork/site work, surveying, environmental monitoring, landscaping, & other scopes

Subcontractors and suppliers can obtain plans and specs by contacting Whatcom County ADS/Purchasing, 311 Grand Avenue, Suite 503, Bellingham, WA 98225  
Phone 360-676-6876

All subcontractors and material suppliers are required to execute our standard "Subcontract Agreement"/"Material Contract". We request a 100% Performance and Payment Bonds; and Material Supply Bonds. Please contact us if you have questions regarding these forms. **Low DBE Bidders must execute DOT Form 422-031 EF – DBE Written Confirmation at bid time**

In order to assist certified small business subcontractors and suppliers, we will divide scopes of work into economically feasible units, and will assist firms with delivery schedules and providing points of contact for obtaining bonding, lines of credit, and insurance. We can also help DBE's secure their own sources of equipment and supplies in order to maximize participation.

**We are an Equal Opportunity Employer**
