

HOFFMAN CONSTRUCTION COMPANY

REQUEST FOR QUALIFICATIONS (RFQ) FOR SUBCONTRACTOR SELECTION PROCESS

Project: Sound Transit Roosevelt Station, Seattle, Washington

Request for Mechanical Subcontractor Qualifications

Response Due Date: Thursday, December 19, 2013 at 4:00pm

Description: Sound Transit, the Owner, has approved Hoffman Construction Company of Washington acting as the General Contractor/Construction Manager (GC/CM) to utilize an alternative subcontractor selection process per RCW 39.10.385 for the mechanical and electrical work related to the Roosevelt Station Project. As required, a hearing was held on November 21, 2013 at 9:00am in the office of Hoffman Construction Company of Washington pursuant to this intent. Any comments received that were deemed appropriate have been incorporated into the RFQ.

A pre-proposal meeting will be held on December 5, 2013 at 1:00pm at Hoffman Construction Company of Washington's Seattle Office, 1505 Westlake Avenue North, Suite 500, Seattle, WA. Although not mandatory it is highly encouraged that all interested firms attend this meeting.

The RFQ may be obtained and viewed free of charge on-line at <http://www.bxwa.com>.

Hoffman Construction Company will select the Mechanical Subcontractors utilizing an alternative procurement method in accordance with the provisions of RCW 39.10.385.
