

## **Request for Proposals**

Tri County Economic Development District, serving as the lead agency for the Northeast Washington Regional Transportation Planning Organization (NEW RTPO) comprised of Ferry, Pend Oreille and Stevens Counties, is requesting proposals from firms to develop the Coordinated Public Transit-Humans Services Transportation Plan (CPTHSTP).

The purpose of the CPTHSTP is to identify the transportation needs of individuals with disabilities, older adults, and people with low incomes; provide strategies for meeting those local needs, prioritize transportation services for funding and implementation, and identify strategies and preferred alternatives for improving transportation coordination between providers in a rural setting.
