RFP 1356-482

Title: DSHS Internet Website Re-Design (DIWR) Project

The State of Washington, Department of Social and Health Services (DSHS) intends to issue an RFP to solicit proposals from firms interested in providing a team of professionals to re-design the DSHS public website.

DSHS is seeking a firm that can lead DSHS through the entire Website Development Life Cycle (WDLC). Project activities include installation and configuration of a new content management system (CMS), as well as website re-branding, re-design, content development, content conversion, training, testing and implementation. After the re-designed website is implemented, the Bidder will provide subsequent website hosting and technical support services.

Work is expecting to begin on any contract resulting from this procurement in March of 2014 and to be completed by February 2017.

The successful bidder shall have a licensed to do business in the State of Washington. Also, the Bidder's organization must have at least five (5) years experience providing similar types of services on website design, development, and implementation projects of similar size and complexity as the DSHS Internet Website Re-Design (DIWR) Project. The Bidder must have at least five (5) years experience providing 24x7x365 website hosting and support services for clients/projects of similar size and complexity as the DSHS Internet Website Re-Design (DIWR) Project. In addition, the Bidder's Project Manager must have at least three (3) years experience providing similar types of services on website design, development, and implementation projects of similar size and complexity as the DSHS Internet Website Re-Design (DIWR) Project. Finally, the Bidder's Design lead must each have at least three (3) years experience providing similar types of services on website design, development, and implementation projects of similar size and complexity as the DSHS Internet Website Re-Design (DIWR) Project.

RFP 1356-482 will be issued on or about January 16, 2014 and responses will be due on or about February 19, 2014.

This notice and all documents relevant to this procurement will be available at the DSHS Procurements website at <http://www.dshs.wa.gov/CCS/>. (WEBS address <https://fortress.wa.gov/ga/webs/>)
