

## LYNNWOOD LINK EXTENSION

## Joint Venture - Stacy and Witbeck, Kiewit and Hoffman Construction invites you to attend

Sound Transit - Lynnwood Light Rail Expansion Project SB/DBE Outreach Event

**May 7, 2015**  
**2:00pm - 5:00pm**

Location:

### Elysian Field

**542 1ST AVE S. SEATTLE, WA 98104**

<http://www.elysianbrewing.com/elysian-fields/> | P : 206.382.4498

#### Parking Instructions:

Metered on street parking or a parking garage: Stadium Place Garage at 530 Occidental Avenue S, Seattle, WA 98104

#### Please register at:

<http://tabor100.us/event-1926753>

Questions please contact:

Eleonor @ 206-819-0439 | [VIP@VoicesInPerspective.com](mailto:VIP@VoicesInPerspective.com)  
or Ollie @ 425-881-1312 | [Ollie@pmt-solutions.com](mailto:Ollie@pmt-solutions.com)

This informal setting will allow you to meet with project managers, Engineers and other decision makers to discuss exciting upcoming opportunities on the Sound Transit Lynnwood Link South and North extension projects. Come tell us what you do!

Scopes of work will be heavy civil light rail related - including at-grade and elevated stations and large parking garages.

*We strongly encourage you to attend, but if unable, we would like to hear from you. Please contact Eleonor @ 206-819-0439 or Ollie @ 425-881-1312.*

## Lynnwood Link Extension Overview:

**May 7 - 2pm-5pm**

**@ Elysian Field, 542 1ST AVE S., SEATTLE, WA 98104**

The Sound Transit Board of Directors selected the light rail route and station locations for extending light rail north from the Northgate Mall Station to Lynnwood in Snohomish County in April 2015. This important milestone keeps the project on track to begin construction in 2018 and open by 2023.

Trains will run along the I-5 corridor from Northgate to the Lynnwood Transit Center with stations at Northeast 145th Street, Northeast 185th Street and the Mountlake Terrace Transit Center at 236th Street Southwest. A trip from Lynnwood to downtown Seattle will take 28 minutes.

<http://www.soundtransit.org/Projects-and-Plans/Lynnwood-Link-Extension>

Scopes of work will be heavy civil light rail related - including at-grade and elevated and large parking garages.

Potential scopes of work are, but not limited to, the following:

The Stacy and Witbeck/Kiewit/Hoffman team considers the involvement of small businesses and DBE firms an integral part of our business and a key to our continued success, **AS SUCH WE WOULD LIKE TO HEAR FROM YOU.**

**Stacy and  
Witbeck**

**Kiewit**

**HOFFMAN  
CONSTRUCTION  
COMPANY**

### Additional Notice:

**Save the Date - May 21st**

**Sound Transit's Contracting Opportunities**

When: **May 21<sup>st</sup> 10:00am-Noon**

Where: **Lynnwood Convention Center**

Sound Transit will be hosting an event to share information about upcoming contracting opportunities for the Lynnwood Link Light Rail Extension. Opportunities include Final Design, Construction Management, and Construction contracting. Sound Transit staff will present relevant information regarding the project alignment, schedule, contract packaging, and upcoming milestones. Sound Transit encourages all interested prime and sub consultants or contractors, including SBEs and DBEs, to attend. Opportunities for networking between prime and subcontractors/consultants will also be provided after the presentation.

More detailed information will be distributed in early May. If you have any questions please contact Nina Rohlich, Senior Design & Construction Contracts Specialist at:  
[nina.rohlich@soundtransit.org](mailto:nina.rohlich@soundtransit.org).
