WEST SEATTLE CORRIDOR BRIDGE PROJECT

BID NOTICE

Bid ID: #6 Grading

Bid Due Date: Wednesday, December 8, 2021
Time: 2:00 pm

Project Manager: Adam Dour

To obtain Bid Documents:
www.WestSeattleBids.com
Explicit proposal instructions can be found in the 4.0 Proposals section of the RFQ/PA documents.

PROJECT DESCRIPTION: The West Seattle Corridor Bridges Rehabilitation and Strengthening project includes rehabilitation of the West Seattle Bridge and Spokane Street Swing Bridge, and miscellaneous major maintenance work to the elevated structures leading up to the existing bridges. This project will rehabilitate and strengthen both bridges for use by the public.

SCOPE OF WORK: As part of this current bid package, Kraemer North America, LLC is soliciting bids for work associated with Grading. This work consists of:

- The subcontractor shall include 1 mobilization(s) for the work.
- Subcontractor shall dispose of all waste products generated from subcontractor's operations.
- Final Cleaning and daily cleanup of Subcontractor work area(s) to the satisfaction of the Contractor is the responsibility of the subcontractor.
- Curb Removal includes removal of material and grading for concrete pavement.
- All applicable taxes.
- Pricing shall be valid for 60 days.
- Bid Bonds are required for projects over $300,000.
- Payment and Performance Bonds (at subcontract execution) are required for projects over $300,000.
- Subcontractors and suppliers seeking to work with Kraemer North America must comply with all COVID-19 vaccination requirements enacted by federal, state and/or local governmental entities that apply to the project. Your submission of a quote to Kraemer indicates that your company can comply with any such vaccination requirement(s) and that its cost to comply has been considered in your quote.
- Do not include any exclusions or qualifications as part of your submission, bid the scope provided. Any qualifications to your proposal may result in your bid being deemed nonresponsive.
