

REQUEST FOR QUALIFICATIONS #2022-02

Professional Engineering Services for: On Call General Services

Release date January 5, 2022

Proposals due: January 26, 2022 3:00 PM

The Town of Twisp, Washington solicits interest from consulting firms with expertise in providing on-call professional engineering services.

The Town of Twisp is seeking qualification statements from Professional Engineering firms with experience providing design services including roadway, water, stormwater, sewer, airport, electrical, structure design, surveying, cultural and geotechnical investigation, studies, permitting, right of way acquisition, as well as the creation of plans, plan review, specifications, and estimates, construction management, and construction engineering services.

Interested parties are responsible for monitoring the website for information concerning the RFQ and any addenda issued on the Town of Twisp's website (www.townoftwisp.com).

Questions regarding this Request for Qualifications should be directed to Andrew Denham, Public Works Director at (509) 997-1311 or via email at publicworks@townoftwisp.com

The Town of Twisp reserves the sole right to terminate this process, to not award a contract, and to cancel or modify this solicitation process at any time. In no event will the Town or any of their respective agents, representatives, consultants, directors, officers, or employees be liable for, or otherwise obligated to reimburse, the costs incurred in preparation of this RFQ, or any related costs. The prospective consultant team shall absorb all costs incurred in the preparation and presentation of the submittals.

RFQ SUBMITTAL GENERAL INFORMATION

Town of Twisp

Public Works

1220 Ewell Street • Box 278 • Twisp, WA 98856. 509-997-1311 publicworks@townoftwisp.com

Interested firms shall submit a Statement of Qualification that contains the following:

1. Cover Letter.
2. Qualifications: Outline the qualifications of the firm to perform this work and:
 - a. Project management and ability to meet review deadlines.
 - b. Provide an organizational chart of the proposed consulting team and a short resume of all key people listed on the chart, including their availability to perform this work.
3. References: Provide a list of relevant experience and reference contacts and:
 - a. Past performance and mechanisms used to ensure timely responses to Town's requests.
 - b. Demonstrated ability to perform high quality work, and to control costs.
4. Organization billing rate: Provide a billing rate list of staff rates that will be included in the submittal.

All responses shall be placed in a sealed envelope clearly marked with RFQ # and Title. Submit four (4) copies and one (1) PDF to:

Andrew Denham
Town of Twisp
Public Works Director
PO box 278
Twisp, WA. 98856

Responses will be received by the Public Works Director up to the hour of **3:00 p.m., Wednesday, January 26th, 2022**. Responses delivered after that time will not be accepted. The Town of Twisp is not responsible for delays in delivery.

Hand-delivered responses, or responses not sent through the USPS, shall be delivered to **110 E. Second Ave. Twisp, WA 98856**.

The Town of Twisp will evaluate and select the consultant based on the submitted Statement of Qualifications. The Town reserves the right to utilize any additional evaluation criteria it so chooses to make a final decision on the selection of the consultant. The Town may conduct interviews of the top-ranking firms to make a final decision.

The Town of Twisp will execute a master agreement with the selected consultant and, when engineering services are needed, task orders will be executed amending the master agreement. The term of this master agreement will be for 4 years from the date of execution. The Town reserves the right to terminate the master agreement at any time during this 4-year period.

It is the intention that after appropriate evaluations and interviews the Town will select the best qualified engineering firm, negotiate the terms of contract, and enter into an agreement for such services as it pertains to this RFQ.

For those projects which are federally funded, the selected firm will be required to comply with the applicable federal requirements including those relating to Equal Opportunity in Employment. It is the policy of the Town to require equal opportunity in employment and services subject to eligibility standards that may be required for a specific program.
