

**Town of Lamont**  
**Request for Proposals to Furnish Engineering Services**

The Town of Lamont is requesting qualified engineers to submit statements of qualification to perform a scope of work that includes installation of a new well pump, a SCADA/Telemetry system, an emergency generator and replacement of approximately 1,300 linear feet of water main pipe. The project budget, including construction, is approximately \$668,900, with plans and specifications complete by April 15, 2022. For more information about the project, contact: Town Clerk Ginny Rajala at (509)979-2349 or lamontcityhall@live.com.

One or more firms will be selected for an interview based upon the following criteria categories, weighted as indicated: qualification of key personnel (2); relevant experience as demonstrated on previous projects (2); previous performance (1); expressed interest in the project (1) and Washington State Certified Minority Enterprise Participation (0.5)

Firms desiring consideration shall submit a complete qualification package and any other pertinent data to further assist the selection committee in evaluating the firm's qualification to: Town of Lamont, 302 8<sup>th</sup> St., Lamont, WA 99017. Qualification packages should be submitted to arrive no later than 5:00 PM on January 7, 2022. The most highly rated firm will be selected for an interview and negotiation of the professional service contract.

The project is funded through the Washington State Community Development Block Grant program with federal funds provided by the U.S. Department of Housing and Urban Development. As a result, cost plus percentage of construction cost contracts will not be allowed and a number of state and federal equal opportunity and affirmative action requirements will apply to the selection process and conduct of the project.

The Town of Lamont is an equal opportunity and affirmative action employer. Minority- and women-owned firms are encouraged to submit proposals.
