NOTICE OF BID REQUEST

S & L Underground is requesting sub bids and material quotes from ALL qualified subcontractors and suppliers including MBE, WBE, SBE, ADBE, DBE, and ESBE FOR:

City of New Meadows Water System Improvements Project

BID DATE: July 14, 2022

BID TIME: 3:00 pm

Plans are available at: www.questcdn.com
Project No. 8239038

Project Description:

The Project includes two phases of work identified as "Package A" and "Package B" in the Drawings.

Package A includes installation of a submersible turbine pump, motor, and pitless unit at the City's Well No. 5, construction of a well house and related mechanical, electrical, and control equipment, site work and grading, and extension of a gravel access road to the well site.

Package B includes demolition and removal of the City's existing booster station and welded steel storage reservoir, construction of a new booster station and bolted steel tank storage reservoir, and installation of related piping, mechanical, electrical, and control equipment.

Please verify your intent to provide a quotation to admin@slunder.com and respond by July 13, 2022 with your proposals.

Thank you for your time and consideration!

S & L Underground, Inc. is an Equal Opportunity Employer!
