1.1 BACKGROUND AND PURPOSE

BACKGROUND

Engrossed second substitute house bill 1086 titled Office of Behavioral Health Consumer Advocacy was signed into law in May 2021 and was codified into Revised Code of Washington 71.40 Office of Behavioral Health Consumer Advocacy. The bill amended the Revised Code of Washington 71.24.350 Behavioral Health Ombuds Office. At the time this RFP was drafted, Washington Administrative Code 182 (Health Care Authority) and WAC 246 (Department of Health) have not been updated.

Pursuant to HB1086 and RCW 71.40.030, the Department of Commerce shall use a competitive bidding process to select a private nonprofit to provide behavioral health consumer advocacy services to patients, residents, and clients of behavioral health providers and facilities by July 1, 2022. The selected organization must show (a) demonstrated financial stability and meets the qualifications for the duties identified in this statute, and (b) does not have any conflicts of interest that would interfere with the duties identified in the statute.

Pursuant to RCW 71.40.130 it is the intent of the legislature that:

(1) Regional behavioral health ombuds programs existing prior to chapter 202, Laws of 2021 be integrated into this new statewide program and the ombuds from those programs be assessed and certified by the contracting advocacy organization as behavioral health consumer advocates, and for the state office of behavioral health consumer advocacy to provide the regional behavioral health ombuds programs with any additional training they may need to meet the requirements of RCW 71.40.050;

(2) There shall be a behavioral health consumer advocate office within the boundaries of the region served by each behavioral health administrative services organization;

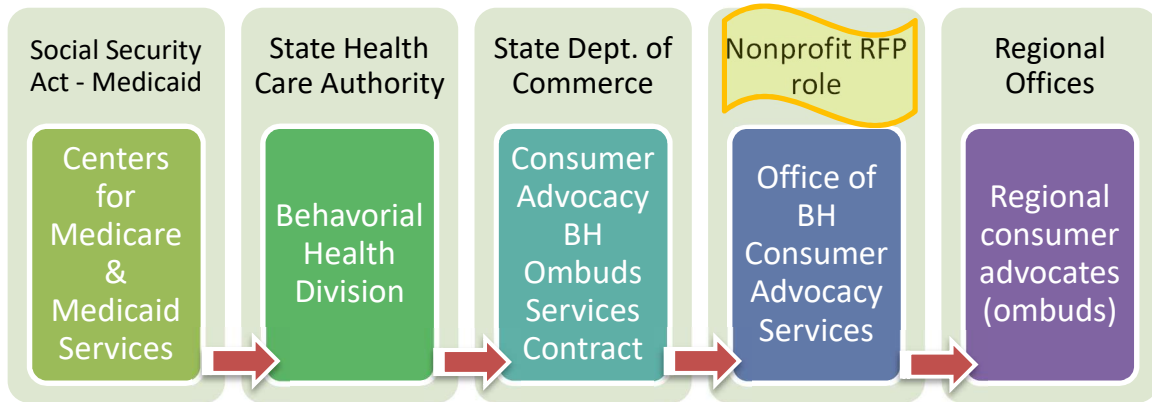

(3) Federal Medicaid requirements be complied with; and

(4) The department annually expend at least the amount expended on regional behavioral health ombuds services prior to July 25, 2021, on the office and for the procurement of services from the contracting advocacy organization under this chapter.

The Health Care Authority is designated as the single state Medicaid agency in Washington State. 42 CFR 431.10(e) states that “[t]he Medicaid agency may not delegate, to other than its own officials, the authority to supervise the plan or to develop or issue policies, rules, and regulations on program matters.”

The above years of experience can be concurrent.

1.4 FUNDING

As of July 2021, the Health Care Authority (HCA) provides Ombuds quarterly trainings using \$75,000 in federal Mental Health Block Grant funds. After June 2022, these funds will be reimbursed to the Department of Commerce thru an inter-agency agreement for the Office to use to provide training to its staff and contractors.

Medicaid funding currently flows through managed care plans and HCA assumes no fiscal impact to the Medicaid funding, but that will be dependent on federal CMS approval.

As of July 2021, HCA contracts to ten regional Behavioral Health Administrative Services Organizations (BH-ASO) within the state. These BH-ASOs provide Ombuds services to non-Medicaid clients. HCA assumes that these state legislative appropriated funds will be provided directly to the new statewide entity for services to non-Medicaid clients.

Pursuant to the enacted operating budget 21-23, COMMERCE has a one-time \$ 661,200 in pass through funding from the state legislature for startup costs, the non-Medicaid clients and other office activities for the period July 1, 2022 to June 30, 2023.

Future funding is dependent on state legislative appropriations and federal Medicaid formulas.

Commerce estimates the consumer advocacy / ombuds services consumed is \$2,000,000 per year for Medicaid clients and non-Medicaid clients combined.

Proposals in excess of \$3,000,000 per year will be considered non-responsive and will not be evaluated.

Any contract awarded as a result of this procurement is contingent upon the availability of funding. Future funding is not guaranteed but the performance of the behavioral health consumer advocacy must continue.

The period of performance of any contract resulting from this RFP is tentatively scheduled to begin on or about July 1, 2022 and to end on June 30, 2031. Amendments extending the period of performance, if any, shall be at the sole discretion of COMMERCE.

$$\text{Cost Computation} = (x) (\text{Cost Proposal Points Possible})$$

COMMERCE reserves the right to award the contract to the **Proposer** whose proposal is deemed to be in the best interest of COMMERCE and the state of Washington.

4.3 ORAL PRESENTATIONS MAY BE REQUIRED

After evaluating the written proposals COMMERCE may elect to schedule oral presentations of the finalists. Should oral presentations become necessary, COMMERCE will contact the top-scoring firm(s) from the written evaluation to schedule a date, time, and location. Commitments made by the Proposer at the oral interview, if any, will be considered binding.

The scores from the written evaluation and the oral presentation combined together will determine the Apparent Successful Contractor.

4.4 NOTIFICATION TO PROPOSERS

COMMERCE will notify the Apparent Successful Bidder of their selection in writing upon completion of the evaluation process. Proposers whose proposals were not selected for further negotiation or award will be notified separately by e-mail.

4.5 DEBRIEFING OF UNSUCCESSFUL PROPOSERS

Any Proposer who has submitted a proposal and received been notified that they were not selected for contract award may request a debriefing. The request for a debriefing conference must be received by the RFP Coordinator within three (3) business days after the Unsuccessful Proposer Notification is e-mailed or faxed to the Proposer. Debriefing requests must be received by the RFP Coordinator no later than 5:00 PM, local time, in Olympia, Washington, on the third business day following the transmittal of the Unsuccessful Proposer Notification. The debriefing must be scheduled within three (3) business days of the request.

Discussion at the debriefing conference is strictly limited to the following:

- Evaluation and scoring of that Proposer's proposal;
- Any written comments from evaluators;
- Review of proposer's final score in comparison with the other final scores *without* identifying the other Proposers or reviewing their proposals.

Comparisons between proposals or evaluations of the other proposals will not be allowed.

Debriefing conferences may be conducted in person or on the telephone or by other electronic means and will be scheduled for a maximum of thirty (30) minutes.

4.6 PROTEST PROCEDURE

Protests may be made only by Proposers who submitted a response to this solicitation document and who have participated in a debriefing conference. Upon completing the debriefing conference, the Proposer is allowed five (5) business days to file a protest of the acquisition with the RFP Coordinator. Protests must be received by the RFP Coordinator no later than 5:00 PM, local time, in Olympia, Washington on the fifth business day following the debriefing. Protests must be submitted by email or facsimile, but must then be followed by the document with an original signature.

Proposers protesting this procurement shall follow the procedures described below. Protests that do not follow these procedures shall not be considered. This protest procedure constitutes the sole administrative remedy available to Proposers under this procurement.

All protests must be in writing, addressed to the RFP Coordinator, and signed by the protesting party or an authorized Agent. The protest must state the RFP number, the grounds for the protest from the list below with specific facts and complete statements of the action(s) being protested. A description of the relief or corrective action being requested should also be included.

Only protests stipulating an issue of fact concerning the following subjects shall be considered:

- A matter of bias, discrimination, or conflict of interest on the part of an evaluator;
- Errors in computing the score;

- Non-compliance with procedures described in this procurement document or COMMERCE policy.

Protests not based on procedural matters will not be considered. Protests will be rejected as without merit if they address issues such as: 1) an evaluator's professional judgment on the quality of a proposal, or 2) COMMERCE'S assessment of its own and/or other agencies needs or requirements.

Upon receipt of a protest, a protest review will be held by COMMERCE. The COMMERCE Director or an employee delegated by the Director who was not involved in the procurement will consider the record and all available facts and issue a decision within ten (10) business days of receipt of the protest. If additional time is required, the protesting party will be notified of the delay.

In the event a protest may affect the interest of another Proposer that also submitted a proposal, such Proposer will be given an opportunity to submit its views and any relevant information on the protest to the RFP Coordinator.

The final determination of the protest shall:

- Find the protest lacking in merit and uphold COMMERCE'S action; or
- Find only technical or harmless errors in COMMERCE'S acquisition process and determine COMMERCE to be in substantial compliance and reject the protest; or
- Find merit in the protest and provide COMMERCE options which may include:
 - Correct the errors and re-evaluate all proposals, and/or
 - Reissue the solicitation document and begin a new process, or
 - Make other findings and determine other courses of action as appropriate.

If COMMERCE determines that the protest is without merit, COMMERCE will enter into a contract with the Apparent Successful Contractor(s).apparently successful contractor. If the protest is determined to have merit, one of the alternatives noted in the preceding paragraph will be taken.

C. Unauthorized Use or Disclosure. The Contractor shall notify COMMERCE within five (5) working days of any unauthorized use or disclosure of any confidential information, and shall take necessary steps to mitigate the harmful effects of such use or disclosure.

10. CONFLICT OF INTEREST

Notwithstanding any determination by the Executive Ethics Board or other tribunal, COMMERCE may, in its sole discretion, by written notice to the CONTRACTOR terminate this contract if it is found after due notice and examination by COMMERCE that there is a violation of the Ethics in Public Service Act, Chapters 42.52 RCW and 42.23 RCW; or any similar statute involving the CONTRACTOR in the procurement of, or performance under this contract.

Specific restrictions apply to contracting with current or former state employees pursuant to chapter 42.52 of the Revised Code of Washington. The CONTRACTOR and their subcontractor(s) must identify any person employed in any capacity by the state of Washington that worked with the COMMERCE program executing this Contract, including but not limited to formulating or drafting the legislation, participating in grant procurement planning and execution, awarding grants, and monitoring grants, during the 24-month period preceding the start date of this Contract. Identify the individual by name, the agency previously or currently employed by, job title or position held, and separation date. If it is determined by COMMERCE that a conflict of interest exists, the CONTRACTOR may be disqualified from further consideration for the award of a Contract.

In the event this contract is terminated as provided above, COMMERCE shall be entitled to pursue the same remedies against the CONTRACTOR as it could pursue in the event of a breach of the contract by the CONTRACTOR. The rights and remedies of COMMERCE provided for in this clause shall not

be exclusive and are in addition to any other rights and remedies provided by law. The existence of facts upon which COMMERCE makes any determination under this clause shall be an issue and may be reviewed as provided in the "Disputes" clause of this contract.

11. COPYRIGHT

Unless otherwise provided, all Materials produced under this Contract shall be considered "works for hire" as defined by the U.S. Copyright Act and shall be owned by COMMERCE. COMMERCE shall be considered the author of such Materials. In the event the Materials are not considered "works for hire" under the U.S. Copyright laws, the Contractor hereby irrevocably assigns all right, title, and interest in all Materials, including all intellectual property rights, moral rights, and rights of publicity to COMMERCE effective from the moment of creation of such Materials.

"Materials" means all items in any format and includes, but is not limited to, data, reports, documents, pamphlets, advertisements, books, magazines, surveys, studies, computer programs, films, tapes, and/or sound reproductions. "Ownership" includes the right to copyright, patent, register and the ability to transfer these rights.

For Materials that are delivered under the Contract, but that incorporate pre-existing materials not produced under the Contract, the Contractor hereby grants to COMMERCE a nonexclusive, royalty-free, irrevocable license (with rights to sublicense to others) in such Materials to translate, reproduce, distribute, prepare derivative works, publicly perform, and publicly display. The Contractor warrants and represents that the Contractor has all rights and permissions, including intellectual property rights, moral rights and rights of publicity, necessary to grant such a license to COMMERCE.

The Contractor shall exert all reasonable effort to advise COMMERCE, at the time of delivery of Materials furnished under this Contract, of all known or potential invasions of privacy contained therein and of any portion of such document which was not produced in the performance of this Contract. The Contractor shall provide COMMERCE with prompt written notice of each notice or claim of infringement received by the Contractor with respect to any Materials delivered under this Contract. COMMERCE shall have the right to modify or remove any restrictive markings placed upon the Materials by the Contractor.

12. DISPUTES

Except as otherwise provided in this Contract, when a dispute arises between the parties and it cannot be resolved by direct negotiation, either party may request a dispute hearing with the Director of COMMERCE, who may designate a neutral person to decide the dispute.

The request for a dispute hearing must:

- be in writing;
- state the disputed issues;
- state the relative positions of the parties;
- state the Contractor's name, address, and Contract number; and
- be mailed to the Director and the other party's (respondent's) Contract Representative within three (3) working days after the parties agree that they cannot resolve the dispute.

The respondent shall send a written answer to the requestor's statement to both the Director or the Director's designee and the requestor within five (5) working days.

The Director or designee shall review the written statements and reply in writing to both parties within ten (10) working days. The Director or designee may extend this period if necessary by notifying the parties.

The decision shall not be admissible in any succeeding judicial or quasi-judicial proceeding.

The parties agree that this dispute process shall precede any action in a judicial or quasi-judicial tribunal.

Nothing in this Contract shall be construed to limit the parties' choice of a mutually acceptable alternate dispute resolution (ADR) method in addition to the dispute hearing procedure outlined above.

To the fullest extent permitted by law, the Contractor shall indemnify, defend, and hold harmless the state of Washington, COMMERCE, agencies of the state and all officials, agents and employees of the state, from and against all claims for injuries or death arising out of or resulting from the performance of the contract. "Claim" as used in this contract, means any financial loss, claim, suit, action, damage, or expense, including but not limited to attorney's fees, attributable for bodily injury, sickness, disease, or death, or injury to or the destruction of tangible property including loss of use resulting therefrom.

The Contractor's obligation to indemnify, defend, and hold harmless includes any claim by Contractor's agents, employees, representatives, or any subcontractor or its employees.

The Contractor expressly agrees to indemnify, defend, and hold harmless the State for any claim arising out of or incident to Contractor's or any subcontractor's performance or failure to perform the contract. Contractor's obligation to indemnify, defend, and hold harmless the State shall not be eliminated or reduced by any actual or alleged concurrent negligence of State or its agents, agencies, employees and officials.

The Contractor waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend and hold harmless the state and its agencies, officers, agents or employees.

16. INDEPENDENT CAPACITY OF THE CONTRACTOR

The parties intend that an independent contractor relationship will be created by this Contract. Conduct and control of the work will be solely with the Contractor.

17. INDUSTRIAL INSURANCE COVERAGE

COMMERCE may deduct the amount owed by the Contractor to the accident fund from the amount payable to the Contractor by COMMERCE under this Contract, and transmit the deducted amount to the Department of Labor and Industries, (L&I) Division of Insurance Services. In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Contract and prior to normal completion, COMMERCE may suspend or terminate the Contract under the "Termination for Convenience" clause, without the ten calendar day notice requirement. In lieu of termination, the Contract may be amended to reflect the new funding limitations and conditions.

The Contractor may only subcontract work contemplated under this Contract if it obtains the prior written approval of COMMERCE.

The Contractor is responsible to COMMERCE if the Subcontractor fails to comply with any applicable term or condition of this Contract. The Contractor shall appropriately monitor the activities of the Subcontractor to assure fiscal conditions of this Contract. In no event shall the existence of a subcontract operate to release or reduce the liability of the Contractor to COMMERCE for any breach in the performance of the Contractor's duties.

Every subcontract shall include a term that COMMERCE and the State of Washington are not liable for claims or damages arising from a Subcontractor's performance of the subcontract.

33. SURVIVAL

35. TERMINATION FOR CAUSE

In the event COMMERCE determines the Contractor has failed to comply with the conditions of this contract in a timely manner, COMMERCE has the right to suspend or terminate this contract. Before suspending or terminating the contract, COMMERCE shall notify the Contractor in writing of the need to take corrective action. If corrective action is not taken within 30 calendar days, the contract may be terminated or suspended.

In the event of termination or suspension, the Contractor shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original contract and the replacement or cover contract and all administrative costs directly related to the replacement contract, e.g., cost of the competitive bidding, mailing, advertising and staff time.

Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this contract. COMMERCE may withhold from any amounts due the Contractor such sum as the Authorized Representative determines to be necessary to protect COMMERCE against potential loss or liability.

The rights and remedies of COMMERCE provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this contract.
