Johansen Construction Company (JCC) is requesting quotes from Subcontractors and Suppliers for the following project:

Project Name: Purdy Creek Remove Fish Barriers & Paving

Owner: WSDOT

Bid Date: 1/26/2022

Subcontractor/Supplier quotes are requested 24 hours prior to the posted bid date: 1/25/2022

Bids to be submitted to: estimating@johansencci.com or via fax at (360) 829-5473

Project Description: This contract provides for the improvements at SR 16 Purdy Creek and SR 302 (Spur) Purdy Creek. Work involves replacing an existing 6' dia. corrugated metal pipe with two 206' concrete girder bridges at SR 16 and realigning the stream and replacing the existing box culvert with a 77' concrete slab bridge at SR 302. Work includes structural earth walls, drilled shafts, concrete approach slabs, HMA paving, guardrail, cable barrier, stream bed realignment and restoration, landscaping, lighting, signalization and traffic control.

Subcontractor/Supplier opportunities include (but are not limited to): clearing & grubbing, erosion control, HMA paving, asphalt milling, structural earth walls, flatwork and structural concrete, drilled shafts, striping, landscaping, hauling, signage, rebar supply & installation, guardrails, traffic barriers, dewatering, traffic lighting, signalization, traffic control, and surveying. Other items include the supply of ready-mix concrete, pipe/utilities, aggregates, bridge girders, geotextiles, landscaping materials, and disposal.

JCC encourages bids from all subcontractors and suppliers including Underutilized Disadvantaged Business Enterprises (UDBE's), for any item of work, or portion of an item, or combination thereof related to this project.
