1. INTRODUCTION

1.1. PURPOSE, OBJECTIVE AND BACKGROUND

In response to Senate Bill 5052 becoming law, asking the Department of Health (DOH) to create Health Equity Zones across the state, we, DOH, are responsible for working with the Governor's Interagency Council on Health Disparities, Tribal Partners, local health jurisdictions (LHJ), and accountable communities of health (ACH) to review public health data and data and partner with communities to self-identify areas in Washington for potential health equity zones. We must provide technical assistance to communities to facilitate self-identification of health equity zones.

In the first 12 months of the health equity zone bill, we must have a plan to partner with communities throughout the state to self-identify health equity zones. The plan must include a process for community groups and nonprofit organizations within any designated zone to mobilize and complete projects addressing each zone's most serious health issues. This bill supports community organizations in health equity zones to use coalitions to identify and develop projects addressing community needs. This bill also supports local organizations entering into partnerships with state or national organizations outside of an identified zone.

The health equity zone bill requires us to support community organizations and groups in identifying and applying for resources to complete projects and provide coalitions with technical assistance related to project management and evaluation. Depending on available funding, this bill requires us to submit a report to the Washington State Legislature every two years, beginning December 1, 2023. Discussion will be limited to a critique of the requesting Bidder's bid. Comparisons between bids or evaluations of the other bids will not be allowed. Debriefing conferences will be scheduled for a maximum of one hour.

4.7. PROTEST PROCEDURE

Bidders protesting this solicitation shall follow the procedures described below. Protests that do not follow these procedures shall not be considered.

This procedure is available to Bidders who submitted a response to this solicitation document and who have participated in a debriefing conference. Upon completing the debriefing conference, the Bidder is allowed five (5) business days to file a protest with the Protest Officer. The protest must be via email, include the solicitation number, be clearly labeled as "Protest", include a specific and complete statement of facts forming the basis of the protest, and include a description of the relief or corrective action requested.

A protest may be based only on one or more of the following:

- Bias, discrimination or conflict of interest on the part of an evaluator
- Errors in computing the scores; or
- Non-compliance with procedures described the solicitation document or agency protest process or DES policy requirements

Upon receipt of a protest, a protest review will be held by the Protest Officer. This Protest Officer will be a neutral party who was not involved in the solicitation evaluation and award process. The Protest Officer will review the protest and all available facts and issue a response within ten (10) business days of receipt of the protest. If additional time is required, the protesting party will be notified of the estimated additional time needed to respond.

The final determination of the protest shall:

- Find the protest lacking in merit and uphold the DOH's action; or
- Find only technical or harmless errors in the DOH's acquisition process and determine the DOH to be in substantial compliance and reject the protest; or
- Find merit in the protest and provide the DOH options which may include:
 - Correct the errors and re-evaluate all bids, and/or
 - Reissue the solicitation document and begin a new process, or
 - Make other findings and determine other courses of action as appropriate

If the DOH determines that the protest is without merit, the DOH will enter into a contract with the apparently successful bidder. If the protest is determined to have merit, one of the alternatives noted in the preceding paragraph will be taken.

The protest decision is final and not subject to administrative appeal. If the protesting bidder does not accept the DOH protest decision, the bidder may seek relief from the Superior Court in Washington State.

In the event this contract is terminated as provided above, DOH shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of a breach of the contract by the Contractor. The rights and remedies of DOH provided for in this section shall not be exclusive are in addition to any other rights and remedies provided by law. The existence of facts upon which DOH makes a determination under this section shall be an issue and may be reviewed as provided in the “disputes” section of this contract.

10. **COVENANT AGAINST CONTINGENT FEES** – The Contractor warrants that no person or selling agent has been employed or retained to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, excepting bona fide employees or bona fide established agents maintained by the Contractor for the purpose of securing business. DOH shall have the right, in the event of breach of this clause by the Contractor, to annul this contract without liability, or in its discretion, to deduct from the contract price or consideration or recover by other means the full amount of such commission, percentage, brokerage or contingent fee.
11. **DEBARMENT** – The Contractor, by signature to this contract, certifies that the Contractor is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded in any Federal department or agency from participating in transactions. The Contractor agrees to include the above requirement in all subcontracts into which it enters to complete this contract.
12. **DISPUTES** – The parties shall use their best, good faith efforts to cooperatively resolve disputes and problems that arise in connection with this contract. Both parties will continue without delay to carry out their respective responsibilities under this contract while attempting to resolve the dispute under this section. When a genuine dispute arises between DOH and the Contractor regarding the terms of this agreement or the responsibilities imposed herein which cannot be resolved, either party may submit a request for non-binding mediation to the other party through the DOH Contracts Unit and the DOH Contracts Unit will notify the other party of the request for

non-binding mediation. DOH Contracts will act as the initial coordination point and manage the non-binding mediation communication to and from the parties.

Each party agrees that the DOH will identify three mediators who are neutral to both parties. Each party agrees that Contractor will identify one of the three mediators to engage in this process. Each party agrees that it will be responsible for one-half (1/2) the cost of the mediator. Each party agrees that the non-binding mediation will occur at a time and place convenient to all parties, including the mediator and that preference is for the mediation to occur in Olympia or Tumwater, Washington. Each party agrees the mediation is non-binding.

A party's request for a non-binding mediation must:

- Be in writing,
- Clearly state the disputed issues,
- State the relative positions of the parties, state the Contractor's name, address, and his/her contact number, the DOH Program Contract Manager.
- Be mailed to ATTN: DOH Contracts and Procurement Director, P.O. Box 47905, Olympia, WA 98504-7905 within 30 day (30) calendar days after the party could have reasonably be expected to have knowledge of the issue which he/she now disputes, or
- Be emailed to DOHCon.Mgmt@doh.wa.gov with the subject line clearly displaying the contract number and the word "DISPUTE."

The non-binding mediation process constitutes the sole administrative remedy available under this contract. The parties agree that this resolution process shall precede any action in a judicial and quasi-judicial tribunal. Both parties have a duty and responsibility to timely pursue and engage in non-binding mediation. However, the requesting party may pursue judicial or quasi-judicial action prior to the completion of non-binding mediation if the subject party unnecessarily delays or intentionally frustrates the mediation process.

13. **EFFECTIVE DATE** – Unless otherwise specified under period of performance, the effective date of this contract and subsequent amendments, if any, is the date of execution. The date of execution is the last date of signature of the parties to the contract. Contractor assumes all liability for any expenses incurred prior to the date of execution or in the event the contract/amendment is not executed.
14. **EXECUTIVE ORDER 18-03 – WORKERS' RIGHTS (MANDATORY INDIVIDUAL ARBITRATION)**. This clause applies ONLY to those entities who have submitted a bid as part of a competitive procurement AND have certified that a mandatory individual arbitration and/or class or collective action waiver regarding employee disputes is not required as a condition of employment. Contractor represents and warrants, as previously certified in Contractor's bid submission, that Contractor does NOT require its employees, as a condition of employment, to sign or agree to mandatory individual arbitration clauses or class or collective action waivers. Contractor further represents and warrants that, during the term of this Contract, Contractor shall not, as a condition of employment, require its employees to sign or agree to mandatory individual arbitration clauses or class or collective action waivers.
15. **GOVERNING LAW** – This contract shall be governed by the laws of the State of Washington and applicable federal laws and regulations. The venue of any legal action or suit concerning this contract shall be the Thurston County Superior Court and all actions or suits thereon shall be brought therein.

DOH CONTRACT 26917

16. **INDEMNIFICATION** – To the fullest extent permitted by law, Contractor shall indemnify, defend and hold harmless the State of Washington, DOH, agencies of the State and all officials, and employees of the State, from and against all claims arising out of or resulting from the performance of the contract. “Claim” as used in this contract means any financial loss, claim, suit, action, damage, or expense, including but not limited to attorney’s fees, attributable for bodily injury, sickness, disease or death, or injury to or destruction of tangible property including loss of use resulting therefrom. Contractor's obligation to indemnify, defend, and hold harmless includes any claim by Contractors’ agents, employees, representatives, or any subcontractor or its employees.

Contractor expressly agrees to indemnify, defend, and hold harmless the State for any claim arising out of or incident to Contractor’s or any subcontractor’s performance or failure to perform the contract. Contractor’s obligation to indemnify, defend, and hold harmless the State shall not be eliminated or reduced by any actual or alleged concurrent negligence of State or its agencies, employees and officials.

Contractor waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend and hold harmless State and its agencies, officials, agents or employees.

17. **INDEPENDENT CAPACITY OF THE CONTRACTOR** – The parties intend that an independent contractor relationship will be created by this contract. The Contractor and his or her employees or agents performing under the contract are not employees of DOH. The contractor shall not hold himself/herself out as nor claim to be an officer or employee of DOH or of the State of Washington by reason hereof, nor will the Contractor make any claim of right, privilege or benefit which would accrue to such employee under law. Conduct and control of the work will be solely with the Contractor.

18. **INDUSTRIAL INSURANCE COVERAGE** – The Contractor shall comply with the provisions of Title 51 RCW, Industrial Insurance. Prior to performing work under this contract, the Contractor shall provide or purchase industrial insurance coverage for the Contractor’s employees, as may be required of an “employer” as defined in Title 51 RCW, and shall maintain full compliance with Title 51 RCW during the course of this contract. If the Contractor fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees as may be required by law, DOH may collect from the Contractor the full amount payable to the Industrial Insurance accident fund. DOH may deduct the amount owed by the Contractor to the accident fund from the amount payable to the Contractor by DOH under this contract, and transmit the deducted amount to the Department of Labor and Industries, Division of Insurance Services. This provision does not waive any of the Department of Labor and Industries rights to collect from the Contractor.

Industrial insurance coverage through the Department of Labor & Industries is optional for sole proprietors, partners, corporate officers and others, per RCW 51.12.020.

19. **INSURANCE** – The Contractor shall provide insurance coverage as set out in this section. The intent of the required insurance is to protect the State should there be any claims, suits, actions, costs, damages or expenses arising from any negligent or intentional act or omission of the Contractor or subcontractor, or agents of either, while performing under the terms of this contract. The Contractor shall provide insurance coverage which shall be maintained in full force and effect during the term of this Contract, as follows:

- B. Automobile Liability - In the event that services delivered pursuant to this contract involve the use of vehicles, either owned or unowned by the Contractor, automobile liability insurance shall be required. The minimum limit for automobile liability is:

24. **NONDISCRIMINATION LAWS NONCOMPLIANCE** – In the event of the Contractor's noncompliance or refusal to comply with any nondiscrimination law, regulation, or policy, this contract may be rescinded, canceled or terminated in whole or in part, and the Contractor may be declared ineligible for further contracts with DOH. The Contractor shall, however, be given a reasonable time in which to cure this noncompliance. Any dispute may be resolved in accordance with the disputes procedure set forth herein.
25. **OPPORTUNITY TO CURE** – In the event Contractor fails to perform a contractual requirement or materially breaches any term or condition, DOH may issue a written cure notice. The Contractor may have a period of time in which to cure. DOH is not required to allow the Contractor to cure defects if the opportunity for cure is not feasible as determined solely within the discretion of DOH. Time allowed for cure shall not diminish or eliminate Contractor's liability for liquidated or other damages, or otherwise affect any other remedies available against Contractor under the contract or by law.

If the breach remains after Contractor has been provided the opportunity to cure, DOH may do any one or more of the following:

- a) Exercise any remedy provided by law;
 - b) Terminate this contract and any related contracts or portions thereof;
 - c) Procure replacements and impose damages as set forth elsewhere in this contract;
 - d) Impose actual or liquidated damages;

26. **OVERPAYMENTS AND ASSERTION OF LIEN** – In the event that DOH establishes overpayments or erroneous payments made to the Contractor under this contract, DOH may secure repayment, plus interest, if any, through the filing of a lien against the Contractor's real property, or by requiring the posting of a bond, assignment or deposit, or some other form of security acceptable to DOH, or by doing both.
27. **PRIVACY** – Personal information including, but not limited to “protected health information” collected, used or acquired in connection with this contract shall be used solely for the purposes of this contract. Contractor and its subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons personal information without the express written consent of DOH or as provided by law. Contractor agrees to implement physical, electronic and managerial safeguards to prevent unauthorized access to personal information.

DOH reserves the right to monitor, audit, or investigate the use of personal information collected, used or acquired by the contractor through this contract. The monitoring, auditing, or investigating may include but is not limited to "salting" by DOH. Contractor shall certify the return or destruction of all personal information upon expiration of this contract. Salting is the act of placing a record containing unique but false information in a database that can be used later to identify inappropriate disclosure of data contained in the database.

**GENERAL TERMS AND CONDITIONS
DOH CONTRACT 26917**

For the purposes of this provision, personal information includes but is not limited to information identifiable to an individual that relates to a natural person's health, finances, education, business, use or receipt of governmental services, or other activities, names, addresses, telephone numbers, social security numbers, driver license numbers, financial profiles, credit card numbers, financial identifiers and other identifying numbers.

28. **PUBLICITY** – The Contractor agrees to submit to DOH all advertising and publicity matters relating to this contract wherein DOH's name is mentioned or language used from which the connection of DOH's name may, in DOH's judgment, be inferred or implied. The Contractor agrees not to publish or use such advertising and publicity matters without the prior written consent of DOH.
29. **RECORDS, DOCUMENTS, AND REPORTS** –The Contractor shall maintain books, records, documents, data and other evidence relating to this contract and performance of the services described herein, including but not limited to accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this contract. Contractor shall retain such records for a period of six (6) years following the date of final payment. At no additional cost, these records, including materials generated under the contract, shall be subject at all reasonable times to inspection, review or audit by DOH, personnel duly authorized by DOH, the Office of the State Auditor, and Federal and State officials so authorized by law, regulation or agreement.

If the contract reimburses the Contractor for costs incurred in performance, the Contractor shall in addition maintain books, records, documents and other evidence of procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this contract.

If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

30. **REGISTRATION WITH DEPARTMENT OF REVENUE** – The Contractor shall complete registration with the Washington State Department of Revenue, if applicable, and be responsible for payment of all taxes due on payments made under this contract.
31. **REMEDIES** – If Contractor is in breach under any provision of this Contract, DOH shall have all of the remedies listed in this section in addition to all other remedies set forth in other sections of this Contract following the notice and cure period set forth. DOH in its sole discretion, may exercise any or all of the remedies available to it, concurrently or consecutively, including one or more of the following remedies:
- A. **Suspend Performance** – Suspend Contractor's performance with respect to all or any portion of this Contract pending necessary corrective action as specified by the State without entitling Contractor to an adjustment in price/cost or performance schedule.  - C. Deny Payment – Deny payment for those obligations not performed, that due to Contractor’s actions or inactions, cannot be performed or, if performed, would be of no value to the State; provided, that any denial of payment shall be reasonably related to the value to the State of the obligations not performed.
 - D. Removal – Notwithstanding any other provision herein, the State may demand immediate removal of any of Contractor’s employees, agents, or Subcontractors whom the State deems incompetent, careless, insubordinate, unsuitable, or otherwise unacceptable, or whose continued relation to this Contract is deemed to be contrary to the public interest or the State’s best interest.
32. **RIGHT OF INSPECTION** – The Contractor shall provide right of access to its facilities to DOH, or any of its officers, or to any other authorized employee or official of the State of Washington or the federal government, at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this contract. The Contractor shall make available information necessary for DOH to comply with the client's right to access, amend, and receive an accounting of disclosures of their Personal Information according to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) or any regulations enacted or revised pursuant to the HIPAA provisions and applicable provisions of Washington State law. The Contractor’s internal policies and procedures, books, and records relating to the safeguarding, use, and disclosure of personal information obtained or used as a result of this contract shall be made available to DOH and the U.S. Secretary of the Department of Health & Human Services, upon request.
33. **RIGHTS IN DATA/COPYRIGHT** – Unless otherwise provided, all materials produced exclusively under this contract shall be considered "works for hire" as defined by the U.S. Copyright Act and shall be owned by DOH. DOH shall be considered the author of such Materials. In the event the Materials are not considered “works for hire” under the U.S. Copyright laws, Contractor hereby irrevocably assigns all right, title, and interest in Materials, including all intellectual property rights, to DOH effective from the moment of creation of such materials.

Materials means all items in any format and includes, but is not limited to, data, reports, documents, pamphlets, advertisements, books, magazines, surveys, studies, computer programs, films, tapes, and/or sound reproductions that derive exclusively from the Contractor’s work under this contract. Ownership includes the right to copyright, patent, register and the ability to transfer these rights.

For materials that are delivered under the contract, but that incorporate pre-existing materials not produced under the contract, Contractor hereby grants to DOH a nonexclusive, royalty-free, irrevocable license (with rights to sublicense others) in such materials to translate, reproduce, distribute, prepare derivative works, publicly perform, and publicly display. The Contractor warrants and represents that Contractor has all rights and permissions, including intellectual property rights, moral rights and rights of publicity, necessary to grant such a license to DOH.

The Contractor shall exert all reasonable effort to advise DOH, at the time of delivery of materials furnished under this contract, of all known or potential invasions of privacy contained therein and of any portion of such document which was not produced in the performance of this contract. DOH shall receive prompt written notice of each notice or claim of copyright infringement received by

34. **SECURITY OF INFORMATION** – Unless otherwise specifically authorized by the DOH Chief Information Security Officer, Contractor receiving confidential information under this contract assures that:

- Encryption is selected and applied using industry standard algorithms validated by the National Institute of Standards and Technology (NIST) Cryptographic Algorithm Validation Program against all information stored locally and off-site. Information must be encrypted both in-transit and at rest and applied in such a way that it renders data unusable to anyone but authorized personnel, and the confidential process, encryption key or other means to decipher the information is protected from unauthorized access.
- It is compliant with the applicable provisions of the Washington State Office of the Chief Information Officer (OCIO) policy 141, Securing Information Technology Assets, available at: <https://ocio.wa.gov/policy/securing-information-technology-assets>.

- A documented and tested incident response plan

Any breach of this clause may result in termination of the contract and the demand for return of all personal information.

35. **SEVERABILITY** – If any provision of this contract or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this contract which can be given effect without the invalid provision, and to this end the provisions of this contract are declared to be severable.
36. **SITE SECURITY** – While on DOH premises, Contractor, its agents, employees, or subcontractors shall conform in all respects with physical, fire or other security policies or regulations. Failure to comply with these regulations may be grounds for revoking or suspending security access to these facilities. DOH reserves the right and authority to immediately revoke security access to Contractor staff for any real or threatened breach of this provision. Upon reassignment or termination of any Contractor staff, Contractor agrees to promptly notify DOH.
37. **SUBCONTRACTING** – Neither the Contractor, nor any subcontractors, shall enter into subcontracts for any of the work contemplated under this contract without prior written approval of DOH. In no event shall the existence of the subcontract operate to release or reduce the liability of the Contractor to DOH for any breach in the performance of the Contractor’s duties. This clause does not apply to Hospitals and/or Medical Clinics that must contract with specialty physicians (e.g. anesthesiologists, radiologists, physicians groups, independent practitioners, etc.) nor does it include contracts of employment between the Contractor and personnel assigned to work under this contract.

Additionally, the Contractor is responsible for ensuring that all terms, conditions, assurances and certifications set forth in this contract are carried forward to any subcontracts. Contractor and its subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons personal information without the express written consent of DOH or as provided by law.

If, at any time during the progress of the work, DOH determines in its sole judgment that any subcontractor is incompetent or undesirable, DOH shall notify the Contractor, and the Contractor shall take immediate steps to terminate the subcontractor's involvement in the work.

The rejection or approval by DOH of any subcontractor or the termination of a subcontractor shall not relieve the Contractor of any of its responsibilities under the contract, nor be the basis for additional charges to DOH.

DOH has no contractual obligations to any subcontractor or vendor under contract to the Contractor. The Contractor is fully responsible for all contractual obligations, financial or otherwise, to their subcontractors.

38. **SURVIVABILITY** – The terms and conditions contained in this contract which by their sense and context, are intended to survive the completion, cancellation, termination, or expiration of the contract shall survive,
39. **SUSPENSION OF PERFORMANCE AND RESUMPTION OF PERFORMANCE** – In the event contract funding from State, Federal, or other sources is withdrawn, reduced, or limited in

any way after the effective date of this contract and prior to normal completion, DOH may give notice to Contractor to suspend performance as an alternative to termination. DOH may elect to give written notice to Contractor to suspend performance when DOH determines that there is a reasonable likelihood that the funding insufficiency may be resolved in a timeframe that would allow performance to be resumed prior to the end date of this contract. Notice may include notice by facsimile or email to Contractor's representative. Contractor shall suspend performance on the date stated in the written notice to suspend. During the period of suspension of performance each party may inform the other of any conditions that may reasonably affect the potential for resumption of performance.

When DOH determines that the funding insufficiency is resolved, DOH may give Contractor written notice to resume performance and a proposed date to resume performance. Upon receipt of written notice to resume performance, Contractor will give written notice to DOH as to whether it can resume performance, and, if so, the date upon which it agrees to resume performance. If Contractor gives notice to DOH that it cannot resume performance, the parties agree that the contract will be terminated retroactive to the original date of termination. If the date Contractor gives notice it can resume performance is not acceptable to DOH, the parties agree to discuss an alternative acceptable date. If an alternative date is not acceptable to DOH, the parties agree that the contract will be terminated retroactive to the original date of termination.

40. **TAXES** – All payments accrued on account of payroll taxes, unemployment contributions, any other taxes, insurance or other expenses for the Contractor or its staff shall be the sole responsibility of the Contractor.
41. **TERMINATION FOR CONVENIENCE** – Except as otherwise provided in this contract, the Contracting Officer may, by TEN (10) calendar days written notice, beginning on the second day after the mailing, terminate this contract in whole or in part when it is in the best interests of DOH.

If this contract is so terminated, DOH shall be liable only for payment in accordance with the terms of this contract for services rendered prior to the effective date of termination.

42. **TERMINATION FOR DEFAULT** – In the event DOH determines the contractor has failed to comply with the conditions of this contract in a timely manner, DOH has the right to suspend or terminate this contract. Further, DOH may terminate this contract for default, in whole or in part, if DOH has a reasonable basis to believe that the Contractor has:
- 25.
- A. Failed to meet or maintain any requirement for contracting with DOH;
 - B. Failed to ensure the health or safety of any client for whom services are being provided under this contract;
 - C. Failed to perform under, or otherwise breached, any term or condition of this contract; and/or
 - D. Violated any applicable law or regulation.

Before suspending or terminating the contract, DOH shall notify the Contractor in writing of the need to take corrective action. If corrective action is not taken within fourteen (14) days, the contract may be terminated or suspended. In the event of termination or suspension, the Contractor shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original contract and the replacement or cover contract and all administrative costs directly related to the replacement contract, e.g., cost of the competitive bidding, mailing, advertising and staff time. DOH reserves the right to suspend all or part of the contract, withhold further payments, or prohibit the Contractor from incurring additional obligations of funds during

investigation of the alleged compliance breach and pending corrective action by the Contractor or a decision by DOH to terminate the contract. A termination shall be deemed to be a “termination for convenience” if it is determined that the Contractor: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence. The rights and remedies of DOH provided in this contract are not exclusive and are in addition to any other rights and remedies provided by law.

43. **TERMINATION PROCEDURE** – Upon termination of this contract DOH may require the Contractor to deliver to DOH any property specifically produced or acquired for the performance of such part of this contract as has been terminated.

DOH shall pay to the Contractor the agreed upon price, if separately stated, for completed work and services accepted by DOH. In addition DOH shall pay the amount agreed upon by the Contractor and the Contracting Officer for (a) completed work and services for which no separate price is stated, (b) partially completed work and services, (c) other property or services which are accepted by DOH, and (d) the protection and preservation of the property. If the termination is for default, the Contracting Officer shall determine the extent of the liability of DOH. Failure to agree with such determination shall be a dispute within the meaning of the Disputes clause of this contract.

DOH may withhold from any amounts due the Contractor for such completed work or services such sum as the Contracting Officer determines to be necessary to protect DOH against potential loss or liability.

The rights and remedies of DOH provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this contract.

After receipt of a notice of termination, and except as otherwise directed by the Contracting Officer, the Contractor shall:

- Stop work under the contract on the date and to the extent specified in the notice;
- Place no further orders or subcontracts for materials, services, facilities except as necessary to complete such portion of the work not terminated;
- Assign to DOH, to the extent directed by the Contracting Officer, all of the rights, titles, and interest of the Contractor under the orders and subcontracts in which case DOH has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts.
- Settle all outstanding liabilities and all claims arising out of orders or subcontracts, with the approval or ratification of the Contracting Officer to the extent he/she may require, which approval or ratification shall be final for all the purposes of this clause;
- Transfer title to DOH and deliver, as directed by the Contracting Officer, any property which, if the contract had been completed, would have been required to be furnished to DOH;
- Complete performance of such part of the work not terminated by the Contracting Officer; and,
- Take such action as may be necessary, or as the Contracting Officer may direct, for the protection and preservation of the property related to this contract which is in the possession of the Contractor and in which DOH has or may acquire an interest.

44. **WAIVER OF DEFAULT** – Waiver of any default or breach shall not be deemed to be a waiver of any subsequent default or breach. Any waiver shall not be construed to be a modification of the
