

**NOTICE TO CONSULTANTS FOR
WASTEWATER TREATMENT PLANT
CONSULTANT SUPPORT SERVICES FOR 2021-2026**

The City of Camas solicits interest from qualified engineering firms with expertise in Civil, Environmental, Electrical, Instrumentation and Architecture and other expertise related to the following program elements:

Wastewater Treatment Plant (WWTP)

Program Element 1:	Existing and Emerging Regulatory Support
Program Element 2:	Operator Engineering Support
Program Element 3:	Capital Plan and Capital Program Support
Program Element 4:	Capital Project Delivery Services

A copy of this Request for Qualifications (RFQ), Amendments, and other documents will be posted to the City's website at <https://www.cityofcamas.us/rfps> as they become available. The posting will include the following documents:

- City of Camas Professional Services Agreement form (for evaluation to determine company's ability to meet content)
- Supplemental response materials and responses to Statement of Qualifications (SOQ) questions

It is the sole responsibility of the SOQ responder to monitor this web page for any SOQ amendments and additional relevant material.

Statement of Qualifications submittals are due by October 21, 2021, no later than 10:00 AM. No submittals will be accepted after that date and time.

Please direct questions regarding this Request for Qualifications (RFQ) to Sam Adams, RFQ Coordinator. The RFQ Coordinator will be the sole point of contact for this RFQ. Proposer's contact with another City employee without the RFQ Coordinator's knowledge and consent is expressly forbidden and may result in disqualification of the Proposer's SOQ. Any communication other than via email to the RFQ Coordinator will be considered unofficial and non-binding on the City.

Persons may request this information be prepared and supplied in alternate forms by calling collect 0-360-834-6864 or emailing Sam Adams at the address shown below.

RFQ Coordinator:

Sam Adams, P.E.
