A.2. PURPOSE OF REQUEST FOR PROPOSALS

The Office of Superintendent of Public Instruction (OSPI) is initiating this Request for Qualifications (RFQ) to solicit proposals from individuals with the expertise to design and facilitate conference sessions for mentors and coaches to increase their skills and understanding around issues of racial equity.

A.3. BACKGROUND

Led by Superintendent Chris Reykdal, OSPI is the primary agency charged with overseeing public K–12 education in Washington. Working with the state's two hundred ninety-five (295) public school districts, six (6) state-tribal education compact schools, and public charter schools, OSPI allocates funding and provides tools, resources, and technical assistance so every student in Washington is provided a high-quality public education.

Equity in Action: Cultivating Community BEST Mentor-Coach Conference **March 9-10, 2022**

Purpose: The Beginning Educator Support Team (BEST) program, part of the Educator Effectiveness Office at OSPI, hosts an annual equity conference for mentors, coaches, other teacher leaders, and administrators who support the growth of K-12 educators. This conference is an opportunity for participants to grow as leaders for equity, regardless of their position or role. It is a place for participants to find and develop their leadership voice around race, opportunity, and access in classrooms, schools, and districts, particularly with novice educators who are forming themselves as professionals.

Participants: Participants at this conference tend to have at least an emerging level of understanding of issues of racial equity, while some are quite advanced in their knowledge, skills, and work toward dismantling systemic racism. Proposed sessions may address the range of participants or may be targeted for a specific group (e.g., those who are beginning this journey or those who are further along.)

Breakout Sessions: Breakout sessions are ninety (90) minutes. Most contractors will be requested to facilitate the same session on both days. See **Exhibit G** for a draft of the agenda.

Past breakout session topics included the areas below. Bidders are not limited to addressing these topics and are encouraged to propose others that are relevant to the theme.

- Mentoring and coaching with an equity lens
- Developing racial equity leadership skills
- Interrupting racism and white supremacy in schools
- Creating systems level change
- Creating communities of shared practice and reflection
- Leading as a person of color in a predominantly white system

Racial Caucusing: The conference includes three (3) racial caucus sessions. These “caucuses” provide spaces for people to work within their own racial/ethnic groups. For white people, a caucus provides time and space to work explicitly and intentionally on understanding white culture and white privilege and to increase one’s critical analysis around these concepts. For people of color, a caucus is a place to work with peers to address the impact of racism, to interrupt experiences of internalized racism, and to create a space for healing and working for individual and collective liberation. For more information, refer to the Racial Equity Tools [resource about Caucuses and Affinity Groups](#).

Format: The 2022 conference will again be fully virtual using a Zoom platform. Breakout sessions and racial caucuses will have capacity for breakout rooms to facilitate smaller conversations.

A.4. OBJECTIVE AND SCOPE OF WORK

A. Objective: As assigned by Superintendent, Contractor shall serve the Beginning Educator Support Team (BEST) in one (1) or more of the following capacities during the 2022 Annual BEST Equity Conference:

- Racial Caucus Facilitators for three (3) racial caucus sessions totaling three (3) hours.
- Trainer of Racial Caucus Facilitator to provide one (1) three (3) hour training at an agreed-upon time in January or February 2022 for up to thirty (30) racial caucus facilitators.

B. Scope of Work: Applicants may apply for one, two, or all three roles below:

Breakout Session Facilitator (OSPI anticipates awarding five (5) to twelve (12) breakout facilitator contracts.)

- Plan one (1) ninety- (90-) minute interactive online breakout session for the participants and contexts described above.
- Facilitate the breakout session up to two (2) times, adjusting for participant needs and concerns that arise during the session.
- Respond promptly to inquiries from BEST program staff related to the session.

Racial Caucus Facilitator (OSPI anticipates awarding five (5) to ten (10) racial caucus facilitator contracts.)

- Facilitate three (3) racial caucus sessions for a total of three (3) hours with approximately the same group of participants. See **Exhibit G** for a draft of the agenda.

- Facilitate the caucus sessions using guidelines provided at BEST's caucus facilitator training, adjusting for participant needs and concerns that arise during the sessions.
- Attend one (1) three- (3-) hour caucus facilitator online training at an agreed-upon time in January or February 2022.
- Respond promptly to inquiries from BEST program staff related to the session.
- Caucus facilitators are asked to participate in the full conference, so they have context for conversations and discussions as they facilitate their group.

Trainer of Racial Caucus Facilitators (OSPI anticipates awarding one (1) training caucus facilitators contract.)

- Consult with BEST program staff to clarify caucus goals and purposes as part of the overall Conference.
- Plan and facilitate one (1) three- (3-) hour online training for caucus facilitators at an agreed-upon time in January or February.

The complaint process allows Consultants to focus on the Solicitation requirements and evaluation process and raise issues with these processes early enough in the process to allow OSPI to correct a problem before proposals are submitted and time expended on evaluations.

A Consultant may submit a complaint based on any of the following:

- The Solicitation unnecessarily restricts competition;
- The Solicitation evaluation or scoring process is unfair or flawed; or
- The Solicitation requirements are inadequate or insufficient to prepare a proposal.

Consultants may submit complaints up to five (5) business days prior to the proposal due date noted in the Estimated Schedule of Procurement Activities. However, Consultants are encouraged to submit complaints as soon as possible so OSPI can rectify the issue(s) early in the process. Complaints must be submitted to the RFQ Coordinator. In order to be considered a valid complaint, the complaint must meet the following requirements:

- Must be in writing.
- Should clearly articulate the basis for the complaint.
- Should include a proposed remedy.

Complaints not received by the deadline noted in the Estimated Schedule of Procurement Activities will not be reviewed by OSPI. Failure by the Bidder to raise a complaint at this stage may waive its right for later consideration.

The OSPI Contracts Administrator or an employee delegated by the Contracts Administrator will review valid complaints and respond to the submitter in writing. OSPI will consider all complaints but is not required to adopt a complaint, in part or in full. OSPI's response to the complaint is final and not subject to administrative appeal. The response, and any changes to the RFQ, will be posted as an amendment to WEBS prior to the proposal due date. Any complaint addressed during the complaint process cannot be raised during the protest process.

B.5. SUBMISSION OF PROPOSALS

Consultants shall submit proposals as an attachment to an email to the RFQ Coordinator noted in Section B.1. **Proposals must arrive by 3:00 p.m. PT on December 2, 2021.** The RFQ number must be noted in the email subject line. Attachments to the email shall be Microsoft Word format or in Portable Document Format (PDF). Zipped files may be received by OSPI and can be used for submission of proposals. OSPI does not assume responsibility for any problems with the electronic delivery of materials.

Proposals not received by the deadline will not be reviewed. Late proposals will not be accepted and will be automatically disqualified from further consideration. Proposals must respond to the procurement requirements. Do not respond by referring to material presented elsewhere. The proposal must be complete and must stand on its own merits.

Failure to respond to any portion of the procurement document may result in rejection of the proposal as non-responsive. All proposals and any accompanying documentation become the property of OSPI and will not be returned.

B.6. PROPRIETARY INFORMATION/PUBLIC DISCLOSURE

Your entire response to this RFQ is a public record and will be disclosed consistent with the Public Records Act, Chapter 42.56 RCW. Bid submissions and evaluations are temporarily exempt from public disclosure until announcement of the ASB(s).

B.8.i. CONFIDENTIAL DOCUMENTS

For the purposes of this RFQ, do not include confidential or proprietary information unless specifically requested by OSPI.

If OSPI requests confidential or proprietary information, you must clearly print the word "Confidential" on the lower right-hand corner of each page containing the confidential or proprietary information.

B.8.ii. PUBLIC RECORDS REQUESTS

If a public records request seeks your proposal and the proposal contains pages clearly marked "Confidential", OSPI will take the following steps:

- i. We will notify you. We will identify the requestor and the date that OSPI will disclose the requested records.
- ii. We will give you an opportunity to seek a court order to stop OSPI from disclosing the records.
- iii. We will not evaluate or defend your claim of confidentiality. We will not withhold or redact your documents without a court order.

If you have any questions, refer to the [OSPI Public Records Office](#).

B.7. ADDENDUMS AND AMENDMENTS TO THE RFQ

In the event it becomes necessary to revise any part of this RFQ, an addendum or an amendment will be published on the [OSPI website](#). For this purpose, the published Consultant questions and Agency answers, and any other pertinent information, shall be considered an addendum to the RFQ. Additionally, all addenda referred to above will be released on WEBS under the commodity code(s) listed on the cover page of this RFQ. Only consultants who have properly registered in WEBS will receive automatic notification of amendments or other correspondence pertaining to this RFQ. For those not registered in [WEBS](#), it will be the responsibility of interested Consultants to check the website periodically for addenda and amendments to the RFQ.

B.8. SMALL BUSINESS, MINORITY & WOMEN'S BUSINESS ENTERPRISES (MWBE), AND VETERAN-OWNED BUSINESS PARTICIPATION

However, no preference will be included in the evaluation of proposals, no minimum level of MWBE participation shall be required as a condition for receiving an award, and proposals will not be rejected or considered non-responsive on that basis. Any affirmative action requirements set forth in federal regulations or statutes included or referenced in the contract documents will apply.

Vendors who meet criteria set forth in chapter [39.19 RCW](#), should completed and submit the *Business Enterprise Certification Form* with the *Contractor Intake Form*.

B.9. ETHICS, POLICIES, & LAW

This RFQ, the evaluation of proposals, and any resulting contract shall be made in conformance with applicable Washington State laws and Policies.

Specific restrictions apply to contracting with current or former state employees pursuant to RCW 42.52. Bidders should familiarize themselves with the requirements prior to submitting a proposal. Bidders shall indicate on their *Contractor Intake Form* any current or former state employees who are employed by, or subcontracted with, Bidder.

B.10. ACCEPTANCE PERIOD

Proposals must provide ninety (90) business days for acceptance by OSPI from the due date for receipt of proposals.

B.11. RESPONSIVENESS

All proposals will be reviewed by the RFQ Coordinator to determine compliance with administrative and minimum requirements and instructions specified in this RFQ. OSPI may reject a Proposal as nonresponsive at any time for any of the following reasons:

- Failure to meet the minimum Bidder qualifications or to comply with any requirement set forth in this RFQ, including Attachments
- Submission of incorrect, misleading or false information
- History of prior unsatisfactory contractual performance

The RFQ Coordinator may contact any Bidder for clarification of the proposal. If a proposal is deemed non-responsive, it shall be removed from further consideration. Bidders whose proposals are found to be non-responsive shall be disqualified from further evaluation and shall be notified in writing.

If a proposal meets all administrative and Bidder qualification requirements and submittal instructions, OSPI shall continue with the written evaluation and, if applicable, the oral evaluation.

OSPI reserves the right at its sole discretion to waive minor administrative irregularities.

B.12. MOST FAVORABLE TERMS

OSPI reserves the right to make an award without further discussion of the proposal submitted. Therefore, the proposal should be submitted initially on the most favorable terms which the Bidder can propose. There will be no best and final offer procedure. OSPI does reserve the right to contact a Bidder for clarification of its proposal.

The Bidder should be prepared to accept this RFQ for incorporation into a contract resulting from this RFQ. Contract negotiations may incorporate some or all of the Bidder's proposal. It is understood that the proposal will become a part of the official procurement file on this matter without obligation to OSPI.

B.13. CONTRACT AND GENERAL TERMS & CONDITIONS

The Apparent Successful Bidder will be expected to enter into a contract which is substantially the same as the sample contract and its General Terms and Conditions. In no event is a Bidder to submit its own standard contract terms and conditions in response to this RFQ. The Bidder may submit exceptions as allowed in the Certifications and Assurances section. OSPI will review requested exceptions and accept or reject the same at its sole discretion.

Should contract negotiations fail to be completed within two (2) weeks after initiation, the Agency may immediately cease contract negotiations, declare the Bidder with the second highest score as the new Apparent Successful Bidder, and enter into contract negotiations with that Vendor. This process will continue until the Contracts are signed or no qualified Bidders remain.

B.14. COSTS TO PROPOSE

All OSPI Contractors are required to register as a Statewide Vendor; however, participation in direct deposit is optional. For online registration, visit the [Office of Financial Management website](#).

Part III: Additional Information

1. **References** List names, addresses, telephone numbers, and email addresses of three (3) business references for whom work has been accomplished and briefly describe the type of service provided for them. By submitting a proposal in response to this RFQ, the Consultant and team members grant permission to OSPI to contact these references and others who, from OSPI's perspective, may have pertinent information. OSPI may or may not, at OSPI's discretion, contact these references or others. Do not include current OSPI staff as references.
2. **Certification and Assurances** – Exhibit E, signed and dated by a person authorized to legally bind the Consultant to a contractual relationship, (e.g., the President or Executive Director if a corporation, the managing partner if a partnership, or the proprietor if a sole proprietorship).

3. **Contractor Intake Form** – Exhibit C

4. **Past Performance** – Exhibit D

Provide information regarding past performance by indicating if the Consultant has received notification of contract breach in the past five (5) years. This does not lead to automatic disqualification. However, OSPI reserves the right to disqualify Consultant proposals based on the Consultant's historical performance, as outlined above in Section B. General Information for Consultants, 11. Responsiveness.

Section D. EVALUATION AND AWARD

D.1. EVALUATION PROCEDURE

Responsive proposals will be evaluated strictly in accordance with the requirements stated in this RFP and any addenda issued. The evaluation of proposals shall be accomplished by an evaluation team, to be designated by OSPI, which will determine the ranking of the proposals. At the

D.2. EVALUATION WEIGHTING AND SCORING

The following points will be assigned to the proposals for evaluation purposes:

Category	Maximum Points Possible
Proposal	
Part I: Relevant Experience of Consultant(s)	30 points
Part II: Proposal/Questions for Specific Roles	30 points
Subtotal	60 points
Interview (if determined necessary by OSPI)	40 points
Reference Checks (if determined necessary by OSPI)	pass/fail
GRAND TOTAL FOR PROPOSAL	100 points

D.3. INTERVIEW (MAY BE REQUIRED)

After bids are received and written evaluations are completed, OSPI, at its sole discretion, may request that one or more Responsible and Responsive Bidders participate in an oral interview and/or presentation or demonstration. Should OSPI elect to hold interviews, it will contact the Candidate to schedule a date and time. Interviews will be held by video conference. Commitments made by the Candidate at the oral interview, if any, will be considered binding.

The scores from the written evaluation and the oral presentation combined together will determine the Apparent Successful Bidder.

D.4. REFERENCE CHECKS

References may be contacted for Bidder(s) and will then be scored and added to the total score.

D.5. SELECTION OF APPARENT SUCCESSFUL BIDDER

OSPI reserves the right to award the contract to the Bidder whose proposal is deemed to be in the best interest of and most advantageous to OSPI and the state of Washington. The selected bidder will be declared the Apparent Successful Bidder (ASB).

The date of announcement of the ASB will be the date the announcement is emailed. The State will enter into contract negotiations with the ASB. Should contract negotiations fail to be completed within two (2) weeks after initiation, the State may immediately cease contract negotiations, declare the Bidder with the second highest score as the new ASB, and enter into contract negotiations with that Bidder. This process will continue until the Contracts are signed or no qualified Bidders remain.

D.6. NOTIFICATION TO BIDDERS

Proposals that have not been selected for further negotiation or award will be notified via email by the RFQ Coordinator.

D.7. DEBRIEFING OF UNSUCCESSFUL BIDDERS

At the Bidder's request, an individual debriefing conference will be scheduled with an unsuccessful Bidder. The request for a debriefing conference must be received by the RFQ Coordinator within three (3) business days following announcement of the ASB. The debriefing must be held within three (3) business days of the request, unless otherwise agreed upon by OSPI and Bidder.

Discussion will be limited to a critique of the requesting Bidder's proposal. Comparisons between proposals or evaluations of the other proposals will not be allowed. Debriefing conferences may be conducted in person or on the telephone and will be scheduled for a maximum of one (1) hour.

Since debriefing conferences pertain to the formal evaluation process, Bidders who were disqualified as non-responsive and therefore did not go through the formal evaluation process, are not entitled to a debriefing conference.

Please note, because the debrief process must occur before making an award, OSPI likely will schedule the Debrief Conference shortly after the announcement of the ASB and the Bidder's request for a Debrief Conference. OSPI will not allow the debrief process to delay the award. Therefore, Bidders should plan for contingencies and alternate representatives; Bidders who are unwilling or unable to attend the Debrief Conference will lose the opportunity to protest.

D.8. PROTEST PROCEDURE

This protest procedure is available to Bidders who submitted a response to this RFQ document and who have participated in a debriefing conference. Upon completion of the debriefing conference, the Consultant is allowed five (5) business days to file a protest of the procurement with the RFQ Coordinator. Protests shall be submitted to the RFQ Coordinator via email.

Consultants protesting this procurement shall follow the procedures described below. Protests that do not follow these procedures shall not be considered. This protest procedure constitutes the sole administrative remedy available to Bidders under this procurement.

The protest must state:

1. The RFQ number.
2. The grounds for the protest including specific facts and complete statements of the action(s) being protested. The protesting party may submit with the protest any documents or information deemed relevant.
3. A description of the relief or corrective action being requested should also be included.

Only protests stipulating an issue of fact concerning the following subjects shall be considered:

- A matter of bias, discrimination or conflict of interest on the part of the evaluator/evaluation team;
- Errors in computing the score; and/or
- Non-compliance with procedures described in the procurement document or OSPI policy.

Protests not based on procedural matters will not be considered. Protests will be rejected as without merit if they address issues such as: 1) an evaluator's professional judgment on the quality of a proposal, 2) OSPI's assessment of its own and/or other agencies needs or requirements, or 3) a complaint raised during the Complaint Procedure.

Upon receipt of a protest, a protest review will be held by OSPI.

1. The agency will assign a Protest Officer who had no involvement in the evaluation and award process to investigate and respond to the protest.
2. The Protest Officer will consider the available facts and issue a written response to the Bidder within ten (10) business days after receipt of the protest, unless additional time is needed. OSPI will notify the protesting bidder in writing if additional time is needed.
3. A copy of the protest and the agency's written decision will be provided to the Superintendent of Public Instruction and the Director of DES.

In the event a protest may affect the interest of another Bidder that submitted a proposal, such Bidder will be given an opportunity to submit its views and any relevant information on the protest to the Protest Officer.

The final determination of the protest shall either:

- Find the protest lacking in merit and uphold OSPI's action; or
- Find only technical or harmless errors in OSPI's procurement process and determine OSPI to be in substantial compliance and reject the protest; or
- Find merit in the protest and provide OSPI options which may include:
 - Correct the errors and re-evaluate all proposals, and/or
 - Reissue the RFQ document and begin a new process, or
 - Make other findings and determine other courses of action as appropriate.

If OSPI determines that the protest is without merit, OSPI will enter into a contract with the Apparent Successful Bidder, assuming the parties reach agreement on the contract's terms. If the protest is determined to have merit, one of the alternatives noted in the preceding paragraph will be taken. All decisions made by OSPI relating to the protest shall be final.

To the fullest extent permitted by law, Contractor shall indemnify, defend and hold harmless the Superintendent and all officials, agents, and employees of the Superintendent, from and against all claims for injuries or death arising out of or resulting from the performance of this Contract. "Claim" as used in this Contract, means any financial loss, claim, suit, action, damage, or expense, including but not limited to attorney's fees, attributable for bodily injury, sickness, disease, or death, or injury to or destruction of tangible property including loss of use resulting therefrom. Additionally, "claims" shall

include but not be limited to, assertions that the use or transfer of any software, book, document, report, film, tape or sound reproduction or material of any kind, delivered hereunder, constitutes an infringement of any copyright, patent, trademark, trade name, or otherwise results in an unfair trade practice or in unlawful restraint of competition. Contractor's obligation to indemnify, defend and hold harmless includes any claim by Contractor's agents, employees, representatives, or any subcontractor or its employees.

Contractor expressly agrees to indemnify, defend, and hold harmless the Superintendent for any claim out of or incident to Contractor's or subcontractor's performance or failure to perform the Contract. Contractor's obligation to indemnify, defend, or hold harmless the Superintendent shall not be eliminated or reduced by any actual or alleged concurrent negligence by Superintendent or its agents, employees, or officials.

Contractor waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend and hold harmless Superintendent and its agents, employees, or officials.

24. Independent Capacity of the Contractor. The parties intend that an independent Contractor relationship will be created by this Contract. The Contractor and his/her employees or agents performing under this Contract are not employees or agents of the Superintendent. The Contractor will not hold himself/herself out as nor claim to be an officer or employee of the Superintendent or of the state of Washington by reason hereof, nor will the Contractor make any claim or right, privilege, or benefit which would accrue to such employee under law. Conduct and control of the work will be solely with the Contractor.

25. Insurance.

a. **Worker's Compensation Coverage.** The Contractor shall at all times comply with all applicable worker's compensation, occupational disease, and occupational health and safety laws, statutes, and regulations to the fullest extent applicable. This requirement includes the purchase of industrial insurance coverage for the Contractor's employees, as may now hereafter be required of an "employer" as defined in Title 51 RCW. Such worker's compensation and occupational disease requirements shall include coverage for all employees of the Contractor, and for all employees of any subcontract retained by the Contractor, suffering bodily injury (including death) by accident or disease, which arises out of or in connection with the performance of this Contract. Satisfaction of these requirements shall include, but shall not be limited to:

- 1) Full participation in any required governmental occupational injury and/or disease insurance program, to the extent participation in such a program is mandatory in any jurisdiction;

Except to the extent prohibited by law, the program of the Contractor's compliance with worker's compensation and occupational disease laws, statutes, and regulations in 1), 2), and 3) above shall provide for a full waiver of rights of subrogation against the Superintendent, its directors, officers, and employees.

If the Contractor, or any subcontractor retained by the Contractor, fails to effect and maintain a program of compliance with applicable worker's compensation and occupational disease laws, statutes, and regulations and the Superintendent incurs fines or is required by law to provide benefits to such employees, to obtain coverage for such employees, the Contractor will indemnify the Superintendent for such fines, payment of benefits to Contractor or subcontractor employees or their heirs or legal representatives, and/or the cost of effecting coverage on behalf of such employees. Any amount owed the Superintendent by the Contractor pursuant to the indemnity may be deducted from any payments owed by the Superintendent to the Contractor for the performance of this Contract.

- b. **Proof of Insurance.** Certificates and or evidence satisfactory to the Superintendent confirming the existence, terms and conditions of all insurance required above shall be delivered to the Superintendent within five (5) days of the Contractor's receipt of Authorization to Proceed.
- c. **General Insurance Requirements.** Contractor shall, at all times during the term of the Contract and at its cost and expense, buy and maintain insurance of the types and amounts listed above. Failure to buy and maintain the required insurance may result in the termination of the Contract at the Superintendent's option. By requiring insurance herein, Superintendent does not represent that coverage and limits will be adequate to protect Contractor and such coverage and limits shall not limit Contractor's liability under the indemnities and reimbursements granted to the Superintendent in this Contract.

Contractor shall include all subcontractors as insureds under all required insurance policies, or shall furnish proof of insurance and endorsements for each subcontractor. Subcontractor(s) must comply fully with all insurance requirements stated herein. Failure of subcontractor(s) to comply with insurance requirements does not limit Contractor's liability or responsibility.

26. Licensing and Accreditation Standards. The Contractor shall comply with all applicable local, state, and federal licensing, accreditation and registration requirements/standards, necessary to the performance of this Contract.

27. Limitation of Authority. Only the Superintendent or the Superintendent's delegate by writing (delegation to be made prior to action) shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this Contract. Furthermore, any alteration, amendment, modification, or waiver of any clause or condition of this Contract is not effective or binding unless made in writing and signed by the Superintendent.

28. Non-Discrimination. The Contractor shall comply with all the federal and state non-discrimination laws, regulations and policies, which are otherwise applicable to the Superintendent. Accordingly, no person shall, on the ground of sex, race, creed, religion, color, national origin, marital status, families with children, age, veteran or military status, sexual orientation, gender expression, gender identity, disability, or the use of a trained dog guide or service animal, be unlawfully excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any activity performed by the Contractor and its agents under this Contract. The Contractor shall notify the Superintendent immediately of any allegations, claims, disputes, or challenges made against it under non-discrimination laws, regulations, or policies, or under the Americans with Disabilities Act. In the event of the Contractor's noncompliance or refusal to comply with this nondiscrimination provision, this Contract may be rescinded, cancelled or terminated in whole or part, and the Contractor may be declared ineligible for further contracts with the Superintendent.

29. Overpayments. Contractor shall refund to Superintendent the full amount of any overpayment under this Contract within thirty (30) calendar days of written notice. If Contractor fails to make a prompt refund, Superintendent may charge Contractor one percent (1%) per month on the amount due until paid in full.

30. Payments. No payments in advance or in anticipation of services or supplies to be provided under this Contract shall be made by the Superintendent. All payments to the Contractor are conditioned upon (1) Contractor's submission of a properly executed and supported voucher for payment, including such supporting documentation of performance and supporting documentation of costs incurred or paid, or both as is otherwise provided for in the body of this Contract under Duties of the Superintendent, and (2) Acceptance and certification by the Superintendent or designee of satisfactory performance by the Contractor.

Except as otherwise provided in this Contract, (1) All approvable vouchers for payment due to the Contractor shall be paid within thirty (30) calendar days of their submission by the

Contractor, and (2) All expenses necessary to the Contractor's performance of this Contract not specifically mentioned in the Contract shall be borne in full by the Contractor.

To the extent consistent with chapter 42.56 RCW, the Superintendent shall maintain the confidentiality of all such information marked confidential or proprietary. If a request is made to view the Contractor's information, the Superintendent will notify the Contractor of the request and the date that such records will be released to the requester unless Contractor obtains a court order enjoining that disclosure. If the Contractor fails to obtain the court order enjoining disclosure, the Superintendent will release the requested information on the date specified.

32. Publicity. The Contractor agrees to submit to the Superintendent all advertising and publicity matters relating to this Contract which in the Superintendent's judgment, Superintendent's name can be implied or is specifically mentioned. The Contractor agrees not to publish or use such advertising and publicity matters without the prior written consent of the Superintendent.

33. Registration with Department of Revenue. The Contractor shall complete registration with the Department of Revenue and be responsible for payment of all taxes due on payments made under this Contract.

The Contractor shall maintain all books, records, documents, data and other evidence relating to this Contract and performance of the services described herein, including but not limited to accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Contract. Contractor shall retain such records for a period of six years following the date of final payment. At no additional cost, these records, including materials generated under the Contract, shall be subject at all reasonable times to inspection, review or audit by the Superintendent, personnel duly authorized by the Superintendent, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement.

If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

35. Right of Inspection. The Contractor shall provide right of access to its facilities to the Superintendent or any of its officers at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this Contract on behalf of the

Superintendent. All inspections and evaluations shall be performed in such a manner that will not unduly interfere with the Contractor's business or work hereunder.

36. Severability. The provisions of this Contract are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the Contract.

37. Site Security. While on Superintendent premises, Contractor, its agents, employees, or subcontractors shall conform in all respects with physical, fire or other security policies or regulations.

38. Subcontracting. Neither the Contractor nor any subcontractor shall enter into subcontracts for any of the work contemplated under this Contract without obtaining prior written approval of the Superintendent. Contractor is responsible to ensure that all terms, conditions, assurances and certifications set forth in this Contract are included in any and all Subcontracts. In no event shall the existence of the subcontract operate to release or reduce liability of the Contractor to the Superintendent for any breach in the performance of the Contractor's duties. This clause does not include contracts of employment between the Contractor and personnel assigned to work under this Contract.

If, at any time during the progress of the work, the Superintendent determines in its sole judgment that any subcontractor is incompetent, the Superintendent shall notify the Contractor, and the Contractor shall take immediate steps to terminate the subcontractor's involvement in the work. The rejection or approval by the Superintendent of any subcontractor or the termination of a subcontractor shall not relieve the Contractor of any of its responsibilities under the Contract, nor be the basis for additional charges to the Superintendent.

39. Taxes. All payments accrued on account of payroll taxes, unemployment contributions, any other taxes, insurance or other expenses for the Contractor or its staff shall be the sole responsibility of the Contractor.

40. Technology Security Requirements. The security requirements in this document reflect the applicable [requirements of Standard 141.10 of the Office of the Chief Information Officer \(OCIO\)](#) for the state of Washington, which by this reference are incorporated into this agreement.

Any related costs to performing these activities shall be at the expense of the Contractor. Any such activities and resulting checklist and/or other products must be shared with the Superintendent's Information Technology Services.

41. Termination for Convenience. Except as otherwise provided in this Contract, the Superintendent or Superintendent's Designee may, by ten (10) days written notice, beginning on the second day after the mailing, terminate this Contract in whole or in part. The notice shall specify the date of termination and shall be conclusively deemed to have been delivered to and received by the Contractor as of midnight the second day of mailing in the absence of proof of actual delivery to and receipt by the Contractor. If this Contract is so terminated, the Superintendent shall be liable only for payment required under the terms of the Contract for services rendered or goods delivered prior to the effective date of termination.

42. Termination for Default.  - (2) When Superintendent determines that the funding insufficiency is resolved, it will give the Contractor written notice to resume performance, and Contractor shall resume performance.
 - (3) Upon the receipt of notice under b. (2), if Contractor is unable to resume performance of this Contract or if the Contractor's proposed resumption date is not acceptable to Superintendent and an acceptable date cannot be negotiated, Superintendent may terminate the Contract by giving written notice to the Contractor. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause for this Contract. The Superintendent may withhold from any amounts due to the Contractor such sum as the Superintendent determines to be necessary to protect the Superintendent against potential loss or liability.

The rights and remedies of the Superintendent provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law under this Contract.
