

**NOTICE TO CONSULTANTS FOR
SR-500/EVERETT STREET CORRIDOR ANALYSIS
NE LAKE ROAD TO NE 3rd STREET
CITY OF CAMAS PROJECT NO. T1041**

The City of Camas solicits interest from consulting firms with expertise in Civil Engineering and related permitting for infrastructure – more specifically roadway design and traffic analysis. Consulting firms should have extensive experience working with WSDOT on local agency projects within WSDOT Right-of-Way, traffic studies, alternatives analysis, environmental permitting including work within shoreline buffers, and an understanding of the complexities of right-of-way acquisition, cost estimating, and public outreach.

A copy of this Request for Qualifications (RFQ), Amendments, and other documents will be posted to the City of Camas website at <https://www.cityofcamas.us/rfps> as they become available. The posting will include the following documents:

- City of Camas Professional Services Agreement form (for evaluation to determine company's ability to meet content)
- Supplemental response materials and responses to Statement of Qualifications (SOQ) questions

It is the sole responsibility of the SOQ responder to monitor this web page for any SOQ amendments and additional relevant material.

Statement of Qualifications submittals are due by June 9, 2022, no later than 1:30 p.m. No submittals will be accepted after that date and time.

Please direct questions regarding this Request for Qualifications (RFQ) to James Carothers, Engineering Manager. Mr. Carothers will be the sole point of contact for this RFQ.

Persons may request this information be prepared and supplied in alternate forms by calling collect 0-360-834-6864 or emailing James Carothers at the address shown below.

James E. Carothers, PE
