Community of Practice Action Teams

The Business Diversity Subcabinet Community of Practice is a network for state procurement professionals to share best practices and ideas to increase utilization of certified minority-, woman- and veteran-owned businesses. The Subcabinet is creating an Online Resource Directory to house the vetted best practices and the tools to implement the practices.

Voluntary Measures Completed in Past Month

- Finalized Action Team orientation, work plan, and guidance documents.
- P-Card and Client Service Provider Action Teams begin report out to Subcabinet Workgroup
