JOINT VENTURE

VIRTUAL OUTREACH EVENTS LOCAL CONTRACTING OPPORTUNITIES

Event:

The Absher-M.A.D. Construction JV team wants to meet with all local and surrounding W/MBE contractors to review project details and timelines.

Project Address: 1120 23rd Avenue Seattle, WA 98122

Project Description:

The Africatown Plaza Building is the new construction of 126 units of affordable family low income housing in the heart of the 23rd and Union-Jackson Residential Urban Village.

Project Priorities:

- Lead Local MEPF W/MBE Design Contractors
- Local W/MBE Contractors – All Scopes
- Lead MEPF W/MBE Design Contractors with Mentorship to Local W/MBE Contractors
- Local Labor Workforce, specifically those most impacted by the project in the African American Community

Please contact Lisa Harris at: lisa@madconstruct.com register for events.

Note: The meeting link will be sent out separately once you are registered.
