Cornerstone General Contractors, Inc., builds community spaces in Western Washington, with a focus on K-12 education facilities. Learn how to connect and build with Cornerstone as a subcontractor or supplier.

This meeting will include

- *The top leadership of Cornerstone.*
- *A representative from Washington State's Office of Minority and Women's Business Enterprises (OMWBE).*
- *A representative from USI Insurance Services, an insurance and bonding firm.*

Presentation topics include:

- *What Cornerstone looks for when working with subcontractors.*
- *Different types of bid delivery methods.*
- *How to win bids on Cornerstone projects.*
- *Where to find resources for mentorship and training for your business.*
- *Information about current and upcoming Cornerstone projects.*
- *Health and safety on Cornerstone projects.*
- *Q&A.*

This event covers additional resources such as:

- *How to get OMWBE certification.*
- *Where and how to find bonding and insurance coverage.*
- *Mentorship and training to remove barriers to participation.*
