

Port of Seattle®

A&E VIRTUAL ADVANCED PORTGEN USDOT BONDING EDUCATION PROGRAM

OCTOBER 29 - DECEMBER 10 | THURSDAYS | 1:00-4:00 PM

REGISTER TODAY!

In partnership with the US DOT SBTRC-NW the Port of Seattle presents the 2020 Advanced PortGen Workshop series. This multi-week workshop training program will provide education to small, minority and woman-owned Architectural and Engineering firms. The workshop series will utilize subject matter experts that are active within the industry.

The six-session workshop training program will cover key project and professional skills that are essential for effective management of the company. Participants will be introduced to procurement opportunities with the Port of Seattle, networking and collaboration with peers.

PARTICIPANTS WILL LEARN SKILLS IN:
