

## CPWI Cohort 7 Expansion RFA No. 2021HCA4

### Amendment No. 3

Date Issued: 5/4/2021

To: RFA Applicants

From: Cassie Bryden, RFA Coordinator

Purpose: Provide HCA's Responses to Potential Applicant Questions

This amendment hereby modifies and is attached to RFA No. 2021HCA4. All other terms, conditions, and specifications remain unchanged.

The above referenced solicitation is amended as follows:

- HCA's responses to potential applicant questions are as follows:

#	RFA Section	Bidder Question	HCA Response
1.	1.1.5. - Eligible Entities	College Place was not on the list of eligible communities. Does that mean College Place cannot apply for funding?	The RFA is restricted to only the high-need communities listed in Exhibit A on page 27 of the application. The high-need community list does change overtime due to updated data. We have done an initial review and College Place is not on the list, however we are completing a full review to confirm if it was left off in error.

2.	1.3. - Minimum Qualifications / Eligibility Requirements	Do you have to be a licensed mental health provider?	It is not required to be a licensed mental health provider to apply for the RFA.
3.	1.1.1.1. - Applicant Type A	Do you have to have had SUD contracts?	No, as a Type A applicant, when it says has held or currently holds an HCA/DBHR Contract, that refers to contracts of all types, not just substance use disorder contracts.

**Please note:** All communication regarding this solicitation must be submitted to [hcaprocurments@hca.wa.gov](mailto:hcaprocurments@hca.wa.gov) and reference “**RFA 2021HCA4 - Cassie Bryden**”, in the subject line.

All other communication will be considered unofficial and non-binding on HCA. Communication directed to parties or individuals other than the RFA Coordinator may result in disqualification of the potential Applicant.

**Reminder:** Questions are due each Thursday by 4 p.m. pacific time, through May 13, 2021.
