1. INTRODUCTION

1.1. PURPOSE AND BACKGROUND

The Washington State Department of Commerce hereafter called "COMMERCE," is initiating this Request for Proposals (RFP) to solicit proposals from firms interested in participating in a project to convene a work group to review and make recommendations for legislation to update the Washington State Growth Management Act (chapter 36.70A RCW), with consideration given to *The Road Map to Washington's Future*, a final report produced by the William D. Ruckelshaus Center.

Background

In 2017, the Washington State Legislature commissioned the William D. Ruckelshaus Center to study Washington State land use framework, conduct outreach throughout the state and present recommendations for the future of the state's growth strategy. The work resulted in a report to the legislature including multiple recommendations. Additional guidance materials and background on the collaborative Road Map to Washington's Future may be viewed on the web site for the Ruckelshaus Center:

<https://ruckelshauscenter.wsu.edu/a-roadmap-to-washingtons-future/>

In 2020, the University of Washington completed a report "updating Washington's growth policy framework" This report including the findings and presented the work of a multi-stakeholder process to develop recommended changes to Washington's growth policy framework.

In 2021, the Environmental Justice Task Force issued recommended strategies for incorporating environmental just principles into the work of the state; and included best practices for increasing meaningful and inclusive community engagement that takes into account barriers to participation that may arise due to race, color, ethnicity, religion, income, or education level.

Phase III Recommendations

Up to \$435,000 is available in the SFY 2021-23 Biennial budget (covering July 1, 2021 – June 30, 2023) to commission further work toward the refinement of these recommendations. The budget proviso funds are appropriate in two separate years, with half the funding in Year 1 and the other half available in Year 2.

COMMERCE seeks assistance by a professional consultant to convene a task force to review this Ruckelshaus Center final report and develop recommendations for legislation to update the state's growth policy framework, including the growth management act, state environmental policy act, and other statutes related to growth, change, economic development, housing, social equity, and environmental conservation.

The process will build upon the findings, concepts, and recommendations in recent state-funded reports, including the "road map to Washington's future" issued by the William D. Ruckelshaus center in 2019, the report of the environmental justice task force issued in 2020, and "updating Washington's growth policy framework" issued by the University of Washington in 2021.

The task force must involve diverse perspectives including but not limited to representatives of counties, cities, special districts, real estate, building, and agricultural industries, planning and environmental organizations, tribal governments, and state agencies.

Special effort must be made to include in these discussions the lived experiences and perspectives of people and communities who have too often been excluded from public policy decision-making and unevenly impacted by those decisions.

The work group must report on its activities and recommendations prior to the 2022 and 2023 legislative sessions.

Specific to this RFP

COMMERCE, with the assistance of a consultant, will convene a work group and/or use other appropriate outreach and consensus building methods to make recommendations on changes to Washington's land use framework to implement the findings of the Collaborative Roadmap process. This process will produce a report to the legislature on activities and recommendations by December 1, 2021 and December 1, 2022. The selected consultant will be experienced in facilitating successful conversations between multiple local governments and stakeholders on complex land use issues.

COMMERCE intends to award one contract to provide the services described in this RFP.

1.2. OBJECTIVES AND SCOPE OF WORK

1. Collaborative Roadmap Phase II Guidance Deliverables:

COMMERCE had identified five deliverables that will be completed:

This must address how the project design will involve diverse perspectives including but not limited to representatives of counties, cities, special districts, real estate, building, and agricultural industries, planning and environmental organizations, tribal governments, and state agencies. The project design will identify the proposed strategy to include in these discussions the lived experiences and perspectives of people and communities who have too often been excluded from public policy decision-making and unevenly impacted by those decisions.

This document will include a survey of past efforts including: the Land Use Study Commission (1998), and the Governor's Land Use Agenda (2006), the Collaborative Roadmap for Washington's Future (2019) and the Updating Washington's Growth Policy Framework (2021). The survey will identify findings and make recommendations on how to leverage past efforts, avoid pitfalls identified and make best use of past efforts.
- c) Preliminary Scope of Recommendations – The Collaborative Roadmap document that forms the starting point contains many recommendations. This document will identify the proposed scope of recommendations identified for the 2022 legislative report due in December of 2021. It will also identify other issues docketed for future work.

The report must be issues in three parts:

B. Experience of the Consultant (SCORED)

- 1. Indicate the experience the Consultant and any subcontractors have in the following areas:
 - a. At least ten (10) years of experience in/with managing complex multi-stakeholder consensus building projects, and at least five (5) years of experience working specifically within Washington State's Land Use Framework.
 - b. At least three (3) years of experience serving diverse private and public sector clients on complex land use issues, involving professional level knowledge of Washington State's Land Use Framework.
 - c. At least three (3) years of experience writing legislative reports, drafting legislation, and presenting findings in a legislative setting.

- d. The firm's Project Manager, the person who would be assigned to manage the day-to-day activities under this contract, must have at least three (3) years of experience managing complex multi-stakeholder, consensus-building projects; and three (3) years of experience working specifically within Washington State's Land Use Framework.
2. Indicate other relevant experience that indicates the qualifications of the Consultant, and any subcontractors, for the performance of the potential contract.
3. Include a list of contracts the Consultant has had during the last five years that relate to the Consultant's ability to perform the services needed under this RFP. List contract reference numbers, contract period of performance, contact persons, telephone numbers, and fax numbers/e-mail addresses.

C. Related Information (MANDATORY)

1. If the Consultant or any subcontractor contracted with the state of Washington during the past 24 months, indicate the name of the agency, the contract number and project description and/or other information available to identify the contract.
2. If the Consultant's staff or subcontractor's staff was an employee of the state of Washington during the past 24 months, or is currently a Washington State employee, identify the individual by name, the agency previously or currently employed by, job title or position held and separation date.
3. If the Consultant has had a contract terminated for default in the last five years, describe such incident. Termination for default is defined as notice to stop performance due to the Consultant's non-performance or poor performance and the issue of performance was either (a) not litigated due to inaction on the part of the Proposer, or (b) litigated and such litigation determined that the Proposer was in default.
4. Submit full details of the terms for default including the other party's name, address, and phone number. Present the Consultant's position on the matter. COMMERCE will evaluate the facts and may, at its sole discretion, reject the proposal on the grounds of the past experience. If no such termination for default has been experienced by the Consultant in the past five years, so indicate.

D. References (MANDATORY)

List names, addresses, telephone numbers, and e-mail addresses of three (3) business references for the Consultant **and** three (3) business references for the lead staff person for whom work has been accomplished and briefly describe the type of service provided. **Do not include current COMMERCE staff as references.** By submitting a proposal in response to this Work Request, the vendor and team members grant permission to COMMERCE to contact these references and others, who from COMMERCE'S perspective, may have pertinent information. COMMERCE may or may not, at COMMERCE'S discretion, contact references. COMMERCE may evaluate references at COMMERCE'S discretion.

E. OMWBE Certification (OPTIONAL AND NOT SCORED)

Include proof of certification issued by the Washington State Office of Minority and Women's Business Enterprises (OMWBE) if certified minority-, women-, or veteran-owned firm(s) will be participating on this project. For more information please visit: <http://www.omwbe.wa.gov>.

3.4. COST PROPOSAL

The maximum fee for this contract must not exceed the amount specified in section 1.4 to be considered responsive to this RFP.

The evaluation process is designed to award this procurement not necessarily to the Consultant of least cost, but rather to the Consultant whose proposal best meets the requirements of this RFP. However, Consultants are encouraged to submit proposals which are consistent with state government efforts to conserve state resources.

A. Identification of Costs (SCORED)

Identify all costs in U.S. dollars including expenses to be charged for performing the services necessary to accomplish the objectives of the contract. The Consultant is to submit a fully detailed budget including staff costs and any expenses necessary to accomplish the tasks and to produce the deliverables under the contract. Consultants are required to collect and pay Washington state sales and use taxes, as applicable.

Costs for subcontractors are to be broken out separately. Please note if any subcontractors are certified by the Office of Minority and Women's Business Enterprises.

B. Computation

The score for the cost proposal will be computed by dividing the lowest cost bid received by the Consultant's total cost.

4. EVALUATION AND CONTRACT AWARD

4.1. EVALUATION PROCEDURE

Responsive proposals will be evaluated strictly in accordance with the requirements stated in this solicitation and any addenda issued. The evaluation of proposals shall be accomplished by an evaluation team(s), to be designated by COMMERCE, which will determine the ranking of the proposals.

COMMERCE, at its sole discretion, may elect to invite the top-scoring firms as finalists for an oral presentation.

The RFP Coordinator may contact the Consultant for clarification of any portion of the Consultant's proposal.

4.2. EVALUATION BREAKDOWN

The following weighting will be assigned to the proposal for evaluation purposes:

Technical Proposal – 80%

- Project Approach/Methodology
- Work Plan
- Project Schedule
- Outcome and Performance Measurement
- Risks
- Deliverables

Management Proposal – 20%

- Project Team Structure
- Internal Controls
- Staff Qualifications and Experience

Cost Proposal is computed in accordance with section 3.4(B) and the result is then added to the combined score for the Technical and Management Proposals.

Workers' Rights Certification – Those firms which certify they **do not** require their employees to sign an individual arbitration clause as a condition of employment will receive an extra 5% added to their score (see Attachment C).

COMMERCE reserves the right to award the contract to the Consultant whose proposal is deemed to be in the best interest of COMMERCE and the state of Washington.

4.3. ORAL PRESENTATIONS MAY BE REQUIRED

After evaluating the written proposals COMMERCE may elect to schedule oral presentations of the finalists. Should oral presentations become necessary, COMMERCE will contact the top-scoring firm(s) from the written evaluation to schedule a date, time, and location. Commitments made by the Consultant at the oral interview, if any, will be considered binding.

The scores from the written evaluation and the oral presentation combined together will determine the apparent successful contractor.

4.4. NOTIFICATION TO PROPOSERS

COMMERCE will notify the Apparently Successful Bidder of their selection in writing upon completion of the evaluation process. Individuals or firms whose proposals were not selected for further negotiation or award will be notified separately by e-mail.

4.5. DEBRIEFING OF UNSUCCESSFUL PROPOSERS

Any Consultant who has submitted a proposal and been notified that they were not selected for contract award may request a debriefing. The request for a debriefing conference must be received by the RFP Coordinator within three (3) business days after the Unsuccessful Consultant Notification is e-mailed or faxed to the Consultant. Debriefing requests must be received by the RFP Coordinator no later than 5:00 PM, local time, in Olympia, Washington, on the third business day following the transmittal of the Unsuccessful Consultant Notification. The debriefing must be scheduled within three (3) business days of the request.

Discussion at the debriefing conference will be limited to the following:

- Evaluation and scoring of the firm's proposal;
- Critique of the proposal based on the evaluation;
- Review of proposer's final score in comparison with other final scores *without* identifying the other firms or reviewing their proposals.

Comparisons between proposals or evaluations of the other proposals will not be allowed. Debriefing conferences may be conducted in person or on the telephone and will be scheduled for a maximum of one hour.

4.6. PROTEST PROCEDURE

Protests may be made only by Consultants who submitted a response to this solicitation document and who have participated in a debriefing conference. Upon completing the debriefing conference, the Consultant is allowed five (5) business days to file a protest of the acquisition with the RFP Coordinator. Protests must be received by the RFP Coordinator no later than 5:00 PM, local time, in Olympia, Washington on the fifth business day following the debriefing. Protests may be submitted by e-mail or facsimile, but must then be followed by the document with an original signature.

Consultants protesting this procurement shall follow the procedures described below. Protests that do not follow these procedures shall not be considered. This protest procedure constitutes the sole administrative remedy available to Consultants under this procurement.

All protests must be in writing, addressed to the RFP Coordinator, and signed by the protesting party or an authorized Agent. The protest must state the RFP number, the grounds for the protest with specific facts and complete statements of the action(s) being protested. A description of the relief or corrective action being requested should also be included.

Only protests stipulating an issue of fact concerning the following subjects shall be considered:

- A matter of bias, discrimination, or conflict of interest on the part of an evaluator;
- Errors in computing the score;
- Non-compliance with procedures described in the procurement document or COMMERCE policy.

Protests not based on procedural matters will not be considered. Protests will be rejected as without merit if they address issues such as: 1) an evaluator's professional judgment on the quality of a proposal, or 2) COMMERCE'S assessment of its own and/or other agencies needs or requirements.

Upon receipt of a protest, a protest review will be held by COMMERCE. The COMMERCE Director or an employee delegated by the Director who was not involved in the procurement will consider the record and all available facts and issue a decision within ten (10) business days of receipt of the protest. If additional time is required, the protesting party will be notified of the delay.

In the event a protest may affect the interest of another Consultant that also submitted a proposal, such Consultant will be given an opportunity to submit its views and any relevant information on the protest to the RFP Coordinator.

The final determination of the protest shall:

- Find the protest lacking in merit and uphold COMMERCE'S action; or
- Find only technical or harmless errors in COMMERCE'S acquisition process and determine COMMERCE to be in substantial compliance and reject the protest; or
- Find merit in the protest and provide COMMERCE options which may include:
 - Correct the errors and re-evaluate all proposals, and/or
 - Reissue the solicitation document and begin a new process, or
 - Make other findings and determine other courses of action as appropriate.

If COMMERCE determines that the protest is without merit, COMMERCE will enter into a contract with the apparently successful contractor. If the protest is determined to have merit, one of the alternatives noted in the preceding paragraph will be taken.

The CONTRACTOR and their subcontractor(s) must identify any person employed in any capacity by the state of Washington that worked with the COMMERCE program executing this Contract, including but not limited to formulating or drafting the legislation, participating in grant procurement planning and execution, awarding grants, and monitoring grants, during the 24-month period preceding the start date of this Contract. Identify the individual by name, the agency previously or currently employed by, job title or position held, and separation date. If it is determined by COMMERCE that a conflict of interest exists, the CONTRACTOR may be disqualified from further consideration for the award of a Contract.

In the event this contract is terminated as provided above, COMMERCE shall be entitled to pursue the same remedies against the CONTRACTOR as it could pursue in the event of a breach of the contract by the CONTRACTOR. The rights and remedies of COMMERCE provided for in this clause shall not

11. COPYRIGHT

Unless otherwise provided, all Materials produced under this Contract shall be considered "works for hire" as defined by the U.S. Copyright Act and shall be owned by COMMERCE. COMMERCE shall be considered the author of such Materials. In the event the Materials are not considered "works for hire" under the U.S. Copyright laws, the Contractor hereby irrevocably assigns all right, title, and interest in all Materials, including all intellectual property rights, moral rights, and rights of publicity to COMMERCE effective from the moment of creation of such Materials.

"Materials" means all items in any format and includes, but is not limited to, data, reports, documents, pamphlets, advertisements, books, magazines, surveys, studies, computer programs, films, tapes, and/or sound reproductions. "Ownership" includes the right to copyright, patent, register and the ability to transfer these rights.

For Materials that are delivered under the Contract, but that incorporate pre-existing materials not produced under the Contract, the Contractor hereby grants to COMMERCE a nonexclusive, royalty-free, irrevocable license (with rights to sublicense to others) in such Materials to translate, reproduce, distribute, prepare derivative works, publicly perform, and publicly display. The Contractor warrants and represents that the Contractor has all rights and permissions, including intellectual property rights, moral rights and rights of publicity, necessary to grant such a license to COMMERCE.

The Contractor shall exert all reasonable effort to advise COMMERCE, at the time of delivery of Materials furnished under this Contract, of all known or potential invasions of privacy contained therein and of any portion of such document which was not produced in the performance of this Contract. The Contractor shall provide COMMERCE with prompt written notice of each notice or claim of infringement received by the Contractor with respect to any Materials delivered under this Contract. COMMERCE shall have the right to modify or remove any restrictive markings placed upon the Materials by the Contractor.

12. DISPUTES

Except as otherwise provided in this Contract, when a dispute arises between the parties and it cannot be resolved by direct negotiation, either party may request a dispute hearing with the Director of COMMERCE, who may designate a neutral person to decide the dispute.

The request for a dispute hearing must:

- be in writing;
- state the disputed issues;
- state the relative positions of the parties;
- state the Contractor's name, address, and Contract number; and
- be mailed to the Director and the other party's (respondent's) Contract Representative within three (3) working days after the parties agree that they cannot resolve the dispute.

The respondent shall send a written answer to the requestor's statement to both the Director or the Director's designee and the requestor within five (5) working days.

The Director or designee shall review the written statements and reply in writing to both parties within ten (10) working days. The Director or designee may extend this period if necessary by notifying the parties.

The decision shall not be admissible in any succeeding judicial or quasi-judicial proceeding.

The parties agree that this dispute process shall precede any action in a judicial or quasi-judicial tribunal.

Nothing in this Contract shall be construed to limit the parties' choice of a mutually acceptable alternate dispute resolution (ADR) method in addition to the dispute hearing procedure outlined above.

To the fullest extent permitted by law, the Contractor shall indemnify, defend, and hold harmless the state of Washington, COMMERCE, agencies of the state and all officials, agents and employees of the state, from and against all claims for injuries or death arising out of or resulting from the performance of the contract. "Claim" as used in this contract, means any financial loss, claim, suit, action, damage, or expense, including but not limited to attorney's fees, attributable for bodily injury, sickness, disease, or death, or injury to or the destruction of tangible property including loss of use resulting therefrom.

The Contractor's obligation to indemnify, defend, and hold harmless includes any claim by Contractor's agents, employees, representatives, or any subcontractor or its employees.

The Contractor expressly agrees to indemnify, defend, and hold harmless the State for any claim arising out of or incident to Contractor's or any subcontractor's performance or failure to perform the contract. In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Contract and prior to normal completion, COMMERCE may suspend or terminate the Contract under the "Termination for Convenience" clause, without the ten calendar day notice requirement. In lieu of termination, the Contract may be amended to reflect the new funding limitations and conditions.

The Contractor may only subcontract work contemplated under this Contract if it obtains the prior written approval of COMMERCE.

The Contractor is responsible to COMMERCE if the Subcontractor fails to comply with any applicable term or condition of this Contract. The Contractor shall appropriately monitor the activities of the Subcontractor to assure fiscal conditions of this Contract. In no event shall the existence of a subcontract operate to release or reduce the liability of the Contractor to COMMERCE for any breach in the performance of the Contractor's duties.

Every subcontract shall include a term that COMMERCE and the State of Washington are not liable for claims or damages arising from a Subcontractor's performance of the subcontract.

33. SURVIVAL

In the event COMMERCE determines the Contractor has failed to comply with the conditions of this contract in a timely manner, COMMERCE has the right to suspend or terminate this contract. Before suspending or terminating the contract, COMMERCE shall notify the Contractor in writing of the need to take corrective action. If corrective action is not taken within 30 calendar days, the contract may be terminated or suspended.

In the event of termination or suspension, the Contractor shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original contract and the replacement or cover contract and all administrative costs directly related to the replacement contract, e.g., cost of the competitive bidding, mailing, advertising and staff time.
