

**The Community & Economic Development
Department invites you to:**

How to Do Business With the City of Tacoma

Takes place on the last Monday of each month.

Session starts at 8:30 a.m.

747 Market Street, Tacoma Municipal Building, Room 248

**Construction Public
Works**

**Architecture &
Engineering**

Goods and Services

- Learn about the City's contracting process
- Find out if the City buys the type of products/services you offer
- Get information about the Equity in Contracting code
- Learn about small business technical assistance/resources
- Get assistance on how to complete the State's OMWBE certification

This workshop provides comprehensive information in a 1-hour session with an optional 30 minute certificate session. City Buyers and Contract Program Administrators will be available to answer questions and meet individually with vendors and contractors.

On-street parking and lot parking available, sorry no validation or reimbursement
