2021 Commission on African American Affairs Supplier Diversity Inclusion Plan

Agency's plan to increase participation of certified small minority, women, and veteran owned firms:

CAAA is a micro-agency and our procurement usually does not exceed the need for supplies. Sizeable purchases are through the state master contract when applicable. When necessary, our agency seeks to conduct business with small minority owned firms. During the public meetings we hold across the state, we continue to patronize small minority restaurants when purchasing meals. *Note: meal purchases are for staff when in travel status and according to per diem. CAAA does not provide meals to the public.
