2021 Department of Archaeology and Historic Preservation Supplier Diversity Inclusion Plan

Agency's plan to increase participation of certified small minority, women, and veteran owned firms:

Unfortunately, with budget reductions DAHP will not be purchasing many supplies this year and we do not have any planned large purchases. To add to that our OWMBE travel agent closed her business.

However, we do have a Filipino-American historic preservation context and inventory contract out for bid. We are hoping that a Filipino-American non-profit organization will be bidding on our project. The only other contract that we will have out this year will be for management of our historic preservation Main Street grants program and that will take an experienced historic preservation firm to manage. If we do have funds for small supplies we will try to use a OWMBE business.
