**2021 Washington State Conservation Commission Supplier Diversity Inclusion Plan**

Agency's plan to increase participation of certified small minority, women, and veteran owned firms:

Although our agency doesn't have many procurements overall, we stay committed to using the Office of Minority & Women's Business Enterprises website to search for possible vendors when we do have a need. The SCC will continue to take advantage of using the WEBS search tool for potential notifications for minorities, small, micro, mini, woman and veteran-owned businesses, as well as searching the certification list OMWBE has available on their website, and the Department of Enterprise Services (DES) Master Contracts list. Our agency also hopes participation will increase by lengthening the response time for bidders
