Agency Supplier Diversity Inclusion Plan

Summary Statement:

OIC's purchasing and contracts specialists will continue to search the OMWBE certified vendor list when engaging in direct buy purchases and will continue utilizing OMWBE vendors where feasible and when a master contract is not available. We will also continue to post notices of solicitations to the OMWBE website as well as WEBS and notify OMWBE-recommended minoritygroups when solicitations are posted.

Authorizing Individual: Stacey Warick, Chief Financial Officer

Specific measures the agency will take to increase participation of certified businesses:

The OIC will encourage vendors to register with OMWBE if they are not certified.

OIC will continue to monitor agency spend with certified businesses throughout the year and strive to raise OMWBE-registered vendor utilization.

Fiscal and Division staff review expenditures monthly through budget status reports and use historical spending data to assist decision making during agency allotment process.
