Washington State Commission on Hispanic Affairs
 Business Diversity Spending Goal Plan FY24
[Governor's Supplier Diversity Subcabinet approved best practices](#)

Summary Statement:

The Commission on Hispanic Affairs rarely contracts for services. In the future, when contracts are considered, we will search for available firms on the OMWBE website and Require inclusion plans in any RFP or RFQs.

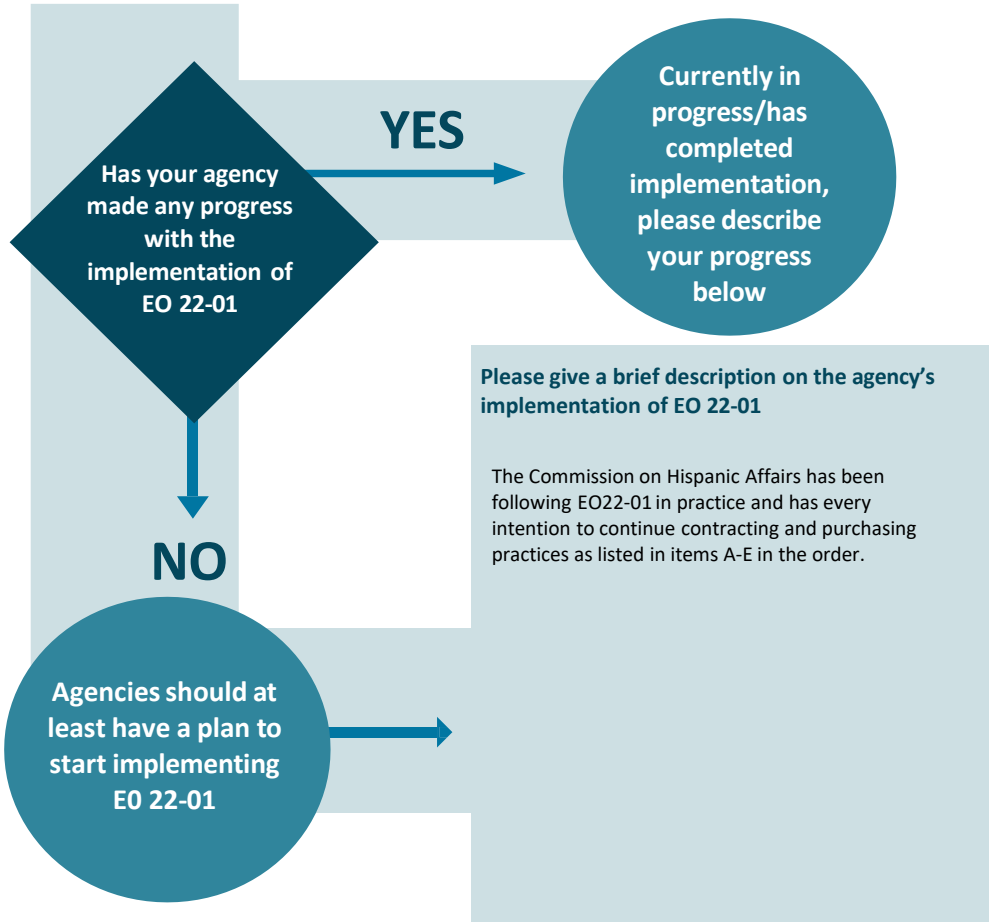

The Commission on Hispanic Affairs will monitor diversity spending in relevant areas.

The Commission on Hispanic Affairs will make a priority to collaborate with OMWBE and the Business Diversity Subcabinet; connect OMWBE with any relevant CHA stakeholders to Inform OMWBE about diversity events in the Hispanic community, connect CHA stakeholders with OMWBE when feedback about process is desired, and connect CHA stakeholder with OMWBE or DES when any diversity events happen at the state level.

Steps your agency has completed to prepare for forecasting and steps remaining: As we onboard new staff, we will ensure to utilize OWMBE and DVA certified firms for purchases.

How are supplier diversity efforts managed within your agency: While the commission does not have much discretionary spending or opportunities to contract with vendors, we will continue to ensure to purchase through OMWBE and/or DVA certified firms.
