This report also lists spending with veteran-owned firms that are certified by the Department of Veterans Affairs.\*

Dollars Spent in Public Works, Contracting, and Procurement**:		\$188,851	8.15%	8.06%
Business Type	Number of Businesses	Total Spend	OMWBE Goal	OMWBE Utilization
Total OMWBE Certified	1	\$15,215		8.06%
MBE	1	\$15,215		8.06%

\* Payments made to the same firm may be found under multiple certifications. For example, the business may be a [Minority/Women Owned business](#), and/or a Veteran Owned Business. Having multiple certifications does not affect the Dollars Spent in Public Works, Contracting, and Procurement Total.

\*\* To run this report and obtain a listing of the businesses included in each Business Type listed above, see [how to run OFM Enterprise Report](#) on prime contract spend. For subcontractor spending, please contact OMWBE at [SupplierDiversity@omwbe.wa.gov](mailto:SupplierDiversity@omwbe.wa.gov).

\*\*\* Dollars Spent with OMWBE Certified Businesses includes the following [State Certifications](#): Combination Business Enterprise (CBE), Minority Business Enterprise (MBE), Minority Women's Business Enterprise (MWBE), Women's Business Enterprise (WBE), and Socially and Economically Disadvantaged Business Enterprise (SEDBE). If one or more OMWBE certifications are not listed in the report, no money was spent with businesses in those categories.
