2020 Human Rights Commission Supplier Diversity Inclusion Plan

Agency's plan to increase participation of certified small minority, women, and veteran owned firms:

Staff are in the process of developing tools to increase participation. The agency is developing a purchasing and contracting check list that must be completed prior to purchase or contract; the checklist will include contacting OMWBE prior to making a purchase or entering into a contact. WSHRC will develop a policy for both contracting and procurement that will address a process in which the first contact is with OMWBE and small businesses.
