Agency's plan to increase participation of certified small minority, women, and veteran owned firms:

The Public Employment Relations Commission (PERC) now contracts with 3 small court reporting services for our court reporter needs, two of which are woman owned. We typically spend between \$50,000 - \$70,000 annually for these services.

PERC is contracting with a graphic designer that has a woman owned small business.

PERC is contracting IT work in amount not exceeding \$10,000 with a small minority owned business.
