FY18 – FY19 Center for Childhood Deafness and Hearing Loss (CDHL) Supplier Diversity Inclusion Plan

Agency's plan to increase participation of certified small minority, women, and veteran owned firms:

CDHL will continue to strive to work with small minority, women and veteran owned businesses by continuing to establish relationships with vendors specific to the deaf and hard of hearing (DHH) service industry (i.e. Signed Language Interpreting services, DHH educational service providers, etc.

CDHL will review current expenditure trends to assess for opportunity for diversity and continue to use DES master contracts with preference to those vendors who are owned by minorities, women and veterans.
