FY18 – FY19 Washington State Arts Commission Supplier Diversity Inclusion Plan

Agency's plan to increase participation of certified small minority, women, and veteran owned firms:

Continue to reach out to small minority, women, and veteran owned firms when we issue an RFP. Continue to reach out and target for inclusion in grant offerings by targeting known communication sources, groups, and social media.

Continue to target minority and women owned businesses for routine and non- routine purchases.

Host one session with another small agency to conduct an outreach session in Western Washington to influence artists to become a certified provider.
