### 2020 State Conservation Commission Supplier Diversity Inclusion Plan

Agency's plan to increase participation of certified small minority, women, and veteran owned firms:

As a micro-agency we rarely have a need for procurements. When our agency has a need to implement a procurement or contract for goods and services we will utilize the state's Master Contract Sales Database and utilize the search tool on DES' website to identify diverse vendors, as well as search OMWBE's directory of certified minority and woman owned firms. The tools suggested on OMWBE's website and the guidance listed is very helpful.

On the rare occasion a procurement is needed we always include in our WEBS notifications minorities, small, micro, mini, woman and veteran-owned businesses.
