Agency's plan to increase participation of certified small minority, women, and veteran owned firms:

Use WEBS for direct notification of M/WBE vendors of bid opportunities for both goods & services procurements, and public works procurements. Refer uncertified but possibly qualified M/WBE vendors to OMWBE for certification. Use the "Estimated Value" field in WEBS as much as possible to let vendors get a general idea of what the agency expects for bid costs. Train procurement and Fiscal staff on M/WBE reporting process and their responsibilities.
