FY18 – FY19 Washington Department of Fish and Wildlife Supplier Diversity Inclusion Plan

Agency's plan to increase participation of certified small minority, women, and veteran owned firms:

Advertise bidding opportunities through Department of Enterprises' WEBS vendor notification system to ensure minority and women's businesses and veteran owned firms are notified.

Work with Capital Asset and Management Program to advertise public works and architectural/engineering services opportunities on WEBS as well.

Update the agency website to include information on registering as a minority and/or women's business enterprise with OMWBE.

Add OMWBE language in solicitations encouraging firms to register with OMWBE.

Provide guidance to staff on soliciting Minority and Women-Owned Business for their business needs.
